

MADRAS CHRISTIAN COLLEGE
(Autonomous)
Tambaram East, Chennai - 600 059

CALENDAR
2015 - 2016

The emblem of the college is a graphic representation of the philosophy of the college.

The upper part of the anchor takes the form of a cross. The hand at the top of the college emblem has three fingers raised in blessing. The anchor symbolizes firmness at times of storm.

The Latin motto, 'In hoc signo', is traced to an important event in the life of Constantine the Great (AD 274 - 337), the first Christian emperor of Rome. Before an important battle, he saw a cross shining in the sky and these words: "in hoc signo vinces... with this on your banner, you will win!"

PRAYER FOR THE COLLEGE

O Thou, who in days past didst put it into the hearts of good men to found this college; for the imparting of sound learning, the building of character and the spread of spiritual truth and knowledge of Thyself. Bless our college and schools; may love, unity and brotherhood be learnt here; may industry, uprightness and courage grow here; and from this place may there be sent forth continually a stream of men and women who shall serve Thee faithfully in Thy world.

Amen.

PRAYER FOR THE ALUMNI

O God, of whose gift alone it cometh that Thy faithful people do unto Thee true and faithful service. We pray Thee to follow with Thy blessing those students who have gone out from amongst us to serve in the wider arena of life outside these college walls. Strengthen them to meet victoriously all temptation, enable them for the faithful performance of their life-work and may they ever without fear of man follow steadfastly where duty, right and honour lead.

Amen.

A BRIEF HISTORY OF MADRAS CHRISTIAN COLLEGE

Madras Christian College traces its origin to the General Assembly School founded by the Rev. John Anderson, a Missionary from the Church of Scotland on 3rd April 1837. Anderson was a pioneer in introducing English medium education in South India. He was ably assisted by Rev. Johnston, Rev. Braidwood and Margaret Locher Anderson. The Rev. William Miller who arrived in 1862 upgraded the school to a college by adding F.A. and B.A., courses in 1865 and 1867. Along with a few other protestant missions in Madras, Miller transformed the institution into an ecumenical one and named it Madras Christian College on 1st January 1877. Miller's bold academic vision, supported by the generous contribution from his family members, old students and the Madras Government raised most impressive array of college buildings and hostels (student homes) opposite the High Court complex. Miller was succeeded by worthy leaders like Professors Skinner, E.M. Macphail, Meston and Hogg.

The rapid expansion of the college and the congested physical space necessitated the

shifting of the college from George Town to the 400 acre sylvan Selaiyur forest in Tambaram. The 'great migration' took place on 30th January 1937 with a thanksgiving service in which the Governor Lord Erskine participated. Professor Edward Barnes and his wife Alice Barnes, who lived on the campus since 1932, painstakingly shaped and nurtured the campus, by planting hundreds of rare plants and carved out dusty roads. Swiss Architect Henry Schaetti designed the majestic main buildings. The college hosted the famous International Missionary Conference in 1938. Women students were admitted from 1939.

Dr. Alexander Boyd, who was the Principal for 18 long years (1938-'56) further shaped the character and ethos of the college. He was ably assisted by a host of European and Indian faculty members. The Halls of residence for men - Selaiyur, St. Thomas's and Heber and the Martin and Margaret halls for women, contribute to the rich diversity and hustle-bustle of the campus life. The sprawling sports fields as well as the cultural ambience of the college provide impetus towards students' personality and their all round development.

Professor J.R. Macphail was the last of the Scottish Principals to have served the college between 1956 and 1962.

A new era dawned in 1962 (125th Year of MCC), when Dr. Chandran Devanesen took over as the first Indian Principal, who further enriched the academic stature of the college and broadened the scope of educational process by taking it to the neighbourhood. Devanesen's successors have each contributed in their own way to the growth and development of the Institution.

The year 1978 was a path breaking one when MCC became one of the earliest colleges to be granted the status of **Autonomy**. Autonomy enabled the college to introduce new courses, innovative curricular changes in tune with changing times and examination reforms with focus on learner-centered continuous assessments. After granting of autonomy the college introduced diploma and certificate courses through the School of Continuing Education. The College also introduced vocational degree programmes in the Departments of History, Zoology and Commerce in 1994.

The **Self – Financed Stream** was started in 1999. Degree programmes of contemporary relevance and employability are offered in Self Financed Stream. The College now has thirty three departments under both the Aided and Self – Financed Streams offering Undergraduate, Postgraduate and Research programmes (M.Phil. & Ph.D.).

The **Choice Based Credit System (CBCS)** was introduced in 2003 – 2004 enabling the college to provide more choice for the students, especially inter – disciplinary options and rationalized the workload of each paper in tune with the credits awarded. In the year 2013, the college has been reaccredited by NAAC with **A Grade** (Highest Grade).

All key milestones in the history of the college were befittingly celebrated. The 50th year i.e. 1887 witnessed the birth of Philosophy and History Unions, besides the Tamil and Telugu Associations. The centenary of the college was marked with the relocation of the college at the Tambaram campus in 1937. In 1962 (125th Year) Dr. Sarvepalli Radhakrishnan, our distinguished alumnus, visited the college and the MCC school in his capacity as the Vice-President and the President of India. The 150th year was commemorated in 1987,

with the Prime Minister Shri Rajiv Gandhi participating in the main function, who also declared open the Miller Memorial Library. Dr. A.P.J. Abdul Kalam, the President of India lent his gracious presence at the 170th year celebrations in 2007, who also inaugurated the Centre for International Social Work

The Quartoseptcentennial (175th) Celebrations of the College began on 7th January 2012 with a Thanksgiving Service and a Heritage Exhibition. 'Celebrating History and Serving Humanity' was chosen as the theme to be observed throughout the Celebrations. A Centre for Peace Studies was established in February with a generous support from the United Board. The Founders Day was observed on the 3rd of April with two solemn services held in Anderson Hall, Tambaram and St. Andrews Kirk, Egmore. The day was also memorable for the faculty and students who visited the tombs of Rev. Anderson and Margaret in the old London Mission Cemetery in Vepery. The historic Graduation day was observed on 11th April with the participation of the Governor of Tamil Nadu as the Chief Guest. A National Conference on Higher Education was held in which several experts on Higher Education presented papers. The Diamond Jubilee of the Chapel, the 175

hour chain of prayers, the launch of the Manna Scheme, the planting of 175 species of Trees, academic conferences by different departments were some of the highlights of the historic year.

A Valedictory Worship Service of the Quartoseptcentennial Celebrations was organized in Anderson Hall on 19th December, 2012. The valedictory function of the Quartoseptcentennial Celebrations was held on 13th November 2013. Hon'ble Shri. Mohammad Hamid Ansari, Vice President of India, was the Chief Guest. His Excellency, Dr. K. Rosaiah, Hon'ble Governor of Tamil Nadu, and Prof. P. J. Kurian, Hon'ble Deputy Chairman of Rajya Sabha also graced the occasion.

Academic excellence, spiritual vitality and social relevance have remained the major guiding principles and goals of the Institution down the decades.

COURSE STRUCTURE

Choice Based Credit System (CBCS)

In the twenty-sixth year of autonomy (2003-2004), a significant achievement in the curriculum was the introduction of the Choice Based Credit System (CBCS) at the Postgraduate level in the Day Stream and at the Undergraduate and Postgraduate levels in the Self Financed Stream. The CBCS was extended to the Undergraduate level of the Day Stream from the academic year 2004-2005. This venture has strengthened the academic potential of the students as it provides flexibility in the choice of courses beyond the framework of the discipline of study. The introduction of the CBCS ensures compatibility with the academic norms practiced in similar institutions in India and abroad. The Government of Tamil Nadu has proposed a common structure under CBCS to be implemented by Government, Government Aided and Self-Financed Colleges across Tamil Nadu from the academic year 2008-2009.

CBCS at the Undergraduate Level

The structure of undergraduate courses under the CBCS in the semester pattern provides a wide range of courses for students to choose based on their aptitude and career goals. The undergraduate curriculum will include the following categories of courses in order to accomplish a holistic approach to undergraduate education. The 3 year – 6 semester curriculum includes the following components:

Part I – **Tamil or other language** (German, French, Hindi, Sanskrit, Kannada, Telugu or Malayalam) is offered in the first four semesters except B.Com. where it will be offered for the first two semesters only.

Part II – **English** is offered in the first four semesters except B.Com. where it will be offered for the first two semesters only.

Part III – **Major papers** (including practical and project work) **and Allied papers** are offered by each of the academic departments with a number of innovative and popular courses. Allied courses are aimed at facilitating desired complementarity with the major courses of study. The compulsory allied courses are decided by the department. The optional allied courses are chosen by students from a list of three allied subjects specified by departments.

Part IV – **Non-major courses** are offered under this category:

(a.1) **Basic Tamil (BT)** – Those who have not studied Tamil up to XII standard and have taken a non - Tamil Language under Part I shall take Basic Tamil.

(a.2) **Advanced Tamil (AT)** – Those who have studied Tamil up to XII standard and have taken a non-Tamil language under Part I shall take Advanced Tamil.

- (a.3) **General Course (GC)** – Students who do not come under (a.1) or (a.2) shall opt for General Course. General Course is in the nature of introduction to each major discipline. Students may choose to study any one other than those offered by their Department.

BT, AT and GC are offered during the first two semesters only.

- (b) **Skill Based Courses** – Personality Development (PD), Inter-disciplinary (ID), General Elective (GE) and Computer training programmes are offered in 3rd, 4th and 5th semesters. An Inter-disciplinary elective and a General elective are offered by each department to impart skill-based instruction, thus providing an opportunity to gain knowledge in an application-oriented subject.
- (c) **Environmental Studies** – This course offered in the second year is intended to motivate the students to develop a positive attitude towards the environmental concerns of society.
- (d) **Value Education** – This is a value-oriented, interdisciplinary programme which is a part of the Foundation Courses, for all I year Undergraduate students.

The Programme is divided into :

(i) Social Ethics I & II - For all I UG students

(ii-a) Christian Studies I & II - For all I UG Christian Students and also open to others.

(ii-b) Other students, can opt for either social studies or gender studies.

Part V – Extension Activities

It is mandatory for students to take part in any of the following extension activities – service learning / Physical Education / Department Association Activities / NCC / NSS / Sports / Scrub Society.

NCC

Those who join must continue for two years.

Incentives for Cadets:

1. Bonus marks for higher studies and government jobs.
2. Preference given in the State / Central Uniformed Services.
3. Direct commission given as officers in the Indian Defence Service.

EXAMINATION

The Internal Continuous Assessment and End of Semester Examination, each carrying 50% marks, form the basis for grading student performance in each paper.

Internal Continuous Assessment (ICA)

Internal Continuous Assessment will be made by the teachers responsible for the courses they teach on the dates centrally assigned by the College. There will be three tests held for each paper - two written tests and an assessment of accepted innovative technique such as a seminar, term paper, project, assignment, portfolio, power-point presentation, quiz, objective test, etc or any combination from the above as decided by the course instructor or HOD (the programme of such evaluation will be fixed before the commencement

of that semester in consultation with the respective Academic Deans). Each test will carry a maximum of 50 marks and the lowest of the three tests will be ignored. Retest is not allowed except in the case of students who were absent in one or more ICA tests because they were away on those dates representing college in sports or cultural activities or for any justifiable reason acceptable to the Principal. The Principal may grant special permission to such candidates for taking one additional test of three hours duration encompassing the entire syllabus of that paper. This test should be taken before the commencement of the End of Semester Examination of that semester. A record of such assessment procedure will be maintained by the department and is open for clarification by students. Students will have the right to appeal to the Principal in case of glaring disparities in valuation. The time table for the ICA tests I and II will be notified by the Examination office as per the schedule given in the College Calendar.

Major Guidelines for ICA Retake, ICA Repeat and Repeat Semester

a) ICA Retake

This regulation is being implemented from the academic year 2010-2011 and extended to all students currently studying which include, I, II & III year UG students and I & II year PG students.

Eligibility for ICA retake is as follows:

- Minimum 10 marks in the ICA
- Passing minimum in ESE which is 20 / 50 for UG & 25 / 50 for PG
- Fulfillment of attendance requirements
- Only **one** attempt
- Can appear for papers of any semester during the course period
- Can appear for a maximum of only **six** papers in a semester
- ICA Retake will be centrally administered by the Examinations office

b) ICA Repeat

ICA Repeat can be availed by all UG / PG students to improve their marks after the completion of the course in any semester.

Eligibility for ICA Repeat is as follows

- No minimum marks in ICA and ESE to avail this facility
- Should not have lack of attendance
- Should take tests during the ICA Schedule
- Can appear for a maximum of only **ten** papers in a semester
- Students have to contact the Dean of Student Affairs within a month of the commencement of a semester to register for ICA Repeat.

c) Repeat Semester

Candidates who do not have adequate attendance or missed a semester will have to register for Semester Repeat after completion of the course. These students will have to attend classes, compensate loss of attendance and appear for the ICA along with the regular students. Odd semester students can apply only for the odd semester and even semester students can apply only for the even semester.

Both ICA Repeat and Repeat semester will be administered by the Dean of Student Affairs and conducted by the respective Departments. Students have to contact the Dean of Student Affairs before the commencement of the semester to register for repeat semester.

End of Semester Examination (ESE)

- a) The academic year is divided into two semesters, the first from June / July to November / December and the second from November / December to April / May. Each semester will have a minimum of 90 working days excluding study holidays and examination days. Examinations will be conducted in papers of all semester in Nov / Dec and April / May every year for all UG and PG courses.
- b) The schedule for ESE Practicals will be notified by the Controller of Examinations.
- c) A student who fails in any paper or papers in any semester will be permitted

to take them at subsequent End of Semester Examinations of those papers, subject to the student having fulfilled the attendance requirement. A student whose attendance falls short of 50% will be required to repeat that semester by enrolling again at the end of the course. Papers set for each examination will follow the regulations and syllabi in force at the time.

- d) To qualify for the UG / PG Degree, supplementary candidates are required to pass in all the papers prescribed for the course within six / four semesters immediately after the completion of the course. Beyond that period, the candidates will follow the current syllabus for the examinations. A late fee per year for each paper shall be levied.
- e) Examination Fees will be levied as per the University rates. A special levy is collected for supplementary papers. Only those students who get clearance of 'no dues' from the Bursar's Office / Hall / Departments are eligible to obtain the Hall Ticket for the End of Semester Examinations.

Grading System (from 2011 onwards)

1. Passing minimum for UG course is 40% of marks in the End of Semester Examination and 40% of the total marks in the Internal Continuous Assessment and End of Semester Examination put together in each paper.
2. Passing minimum for PG course is 50% of the marks in the End of Semester Examination

and 50% of the total marks in the Internal Continuous Assessment and End of Semester Examination put together in each paper.

3. Minimum credits to be earned for (with effect from 2008-2009)
 - (i) three year UG Programme is 140
 - (ii) two year PG Programme is 100
 - (iii) three year PG Programme is 145

RULES AND REGULATIONS

Attendance Regulation

Each student is required to have a minimum of 75% attendance every semester (Category I). However, field work in M.S.W. requires 100% attendance and the course on Personality Development exclusively requires 75% attendance.

If a student is absent for one hour, he / she will loose attendance for half a day. If a student is absent for two hours or more, he / she will lose attendance for the whole day.

Leave of Absence

Students are required to apply for leave to their HOD in the prescribed format available in the Records / SFS Office. However, applying for leave does not mean that the absence will be condoned. Attendance will not be given for absence due to any reason including medical grounds. Women students are eligible for maternity leave as per university norms.

Leave of Absence for representing the College as On Duty (OD)

1. The staff-in-charge (eg: Physical Director, Vice-President (CUS), NCC Officers, NSS Officers, HOD's, Wardens etc.) will send a list of students who had participated in events within or outside the college, within **seven days** after the completion of the event to the Dean of Student Affairs. It is the responsibility of the student concerned to submit the filled in prescribed form to the DSA within the stipulated time limit. 'OD' letters will not be entertained at a later date. Students are eligible for OD for participation in programmes / events organized by all recognized units / halls and Departments of the college.
2. A student may be sanctioned a maximum of 22.5 days 'OD' for participation in College programmes either within or outside college, recommended by one or more units.
3. NCC and NSS unit heads are required to produce necessary document(s) pertaining to student participation in their unit activities, including blood donation and collection

of uniform from Head Quarters. However, there is no OD upper limit for NCC Cadets participating in camps and youth exchange programs.

Attendance Notification

At the end of every 30 working days, the attendance details will be displayed on the respective Department Notice Boards and the college website. Clarifications, if any, should be sought from the Dean of Student Affairs / Director SFS within **3 days** of this publication.

Condonation (Category II)

Obtaining condonation is not a matter of right. However, the Principal may condone shortage of attendance up to a maximum of 10% of the number of working days for a semester. A student can avail condonation only once during the course.

Additional Provision (Category III)

A student who is not allowed to write the End of Semester Examination in the current semester due to shortage of attendance (32 – 45 days absent) will be allowed to write those papers as arrears in the subsequent End of Semester Examination. A student can avail this additional provision only once during the course.

Repeat Semester (Category IV)

A student who loses more than 50% of attendance in a semester will have to repeat the Semester.

RAGGING

Ragging is totally banned under the order of the Central and State Governments and the University of Madras. There should be no ragging / orientation / initiation of any sort on campus or outside. Students of the College who violate this directive will be severely dealt with. Punishment for such violation ranges from imprisonment up to a period of two years / fine up to Rs. 10,000/- to expulsion from College.
