CHOICE BASED CREDIT SYSTEM (CBCS) Learning Outcome-based Curriculum Framework (LOCF) SYLLABUS

2023 - 2024

MADRAS CHRISTIAN COLLEGE (AUTONOMOUS)

College with Potential for Excellence
Affiliated to University of Madras
Tambaram

Chennai – 600 059

MADRAS CHRISTIAN COLLEGE

VISION

Madras Christian College aspires to be an Institution of excellence transforming lives through education with a commitment to service.

MISSION

Madras Christian College (MCC) with the inspiration of the love of God offers to people of all communities education of the whole person, which is congruous with God's revelation in Christ of the true nature of humanity and is appropriate to the needs of India and of the world.

Graduate Attributes

The Madras Christian College defines the philosophy underpinning its academic programmes and student life experience on campus through the Graduate Attributes (GA), that describe the knowledge, competencies, values and skills students imbibe for holistic development and contribution to society. These attributes encompass characteristics that are transferable beyond the domain of study into the national and international realm fostered through curricular, co-curricular and extra-curricular engagements.

GA 1: Intellectual Competencies

- Graduates of MCC have a comprehensive and incisive understanding of their domain of study as well as the capability for cross-disciplinary learning.
- They have the ability to apply the knowledge acquired through the curriculum as well as self-directed learning to a broad spectrum ranging from analytical thinking to synthesise new knowledge through research.
- Forming independent individual opinions regarding academic cores and socially relevant issues

GA 2: Professional Ethics

- Graduates of MCC develop ethical and professional behaviour, which will be demonstrated in their chosen careers and constructive citizenship roles.
- They imbibe intellectual integrity and ethics in scholarly engagement and develop a spirit of inclusiveness through interactions with people of special needs and diversity.

GA3: Leadership Qualities

- Graduates of MCC inculcate leadership qualities & attitudes, and team behaviour along democratic lines through curricular, co-curricular and extra-curricular activities
- They develop managerial and entrepreneurial skills to ideate and create new opportunities along with career readiness and capacity to take up various competitive exams.

GA 4: Holistic Skill Development

- Graduates of MCC develop critical thinking, problem-solving, effective communication, emotional and social skills
- They develop digital competency to live, learn and serve in society.

GA 5: Cross-Cultural Competencies

- Graduates of MCC imbibe cross-cultural competencies through engaging with diverse linguistic, ethnic and religious communities providing scope to understand, accept and appreciate individuals at local, national and international levels.
- They develop a global perspective through contemporary curriculum, culture, language and international exchange programmes

GA 6: Service-Oriented Focus

- Graduates of MCC have sensitivity to social concerns and a conviction toward social justice through a commitment to active social engagement.
- They are endowed with a strong sense of environmental awareness through the curriculum and campus eco-system.

GA 7: Value-Based Spiritual Development

- Graduates of MCC are rooted in the principles of ethical responsibility and integrity permeated with Christian values leading to the building of character.
- They develop virtues such as love, courage, unity, brotherhood, industry and uprightness.

Programme Outcomes

Programme Outcomes (POs) of Madras Christian College define the minimum level that students are expected to do, achieve and/or accomplish in order to graduate from a particular programme. These Outcomes are a framework to assess the nature of learning activity experienced within the programme.

POs for Under Graduate Programmes

UG Programmes are designed to have the following outcomes:

On successful completion of the Undergraduate programme, the students will be able to

PO	PO	Description of PO	Mapped with GA
PO 1	Language Skills	<ul style="list-style-type: none">• Demonstrate oral and written skills to effectively communicate in English and Languages of their choice• Apply reading and listening skills to facilitate access to knowledge resources and understanding	GA1, GA4, GA5
PO 2	Domain Knowledge	<ul style="list-style-type: none">• Acquire knowledge of basic concepts, theories and processes through study of core courses in respective programmes• Apply and Analyze domain specific knowledge to emerging areas of academia and industry• Assess, adapt and develop domain specific transferrable skills to new/unfamiliar context	GA1, GA3, GA4, GA5
PO 3	Interdisciplinary knowledge	<ul style="list-style-type: none">• Identify and determine relationships across disciplines• Acquire and apply interdisciplinary knowledge for holistic academic development	GA1, GA4
PO 4	Digital Skills	<ul style="list-style-type: none">• Acquire computer skills and their application relevant to classroom and self-directed web-based learning• Familiarize with and use domain-related software resources, computational skills and digital tools for data analysis, visualization and interpretation• Ethically apply digital skills to creatively communicate a wide range of ideas and issues related to academic experiences	GA1, GA2, GA3, GA4, GA6

PO 5	Analytical skills	<ul style="list-style-type: none"> • Develop the ability to think critically and relate learning to academic, professional and real-life problem solving • Apply empirical knowledge and skills to identify and collect quantitative and qualitative data to analyze and formulate evidence-based suggestions and solutions 	GA1, GA2, GA4, GA6
PO 6	Academic writing & Presentation skills	<ul style="list-style-type: none"> • Formulate and document results obtained in laboratory, case studies, project work, field work and internships • Effectively communicate through engaging presentations using methodologies appropriate to the discipline 	GA1, GA4, GA5
PO 7	Innovation and Creativity	<p>Demonstrate transferable capabilities and intrapreneurial skills that are relevant to the industry and other employment opportunities</p> <ul style="list-style-type: none"> • Develop entrepreneurial skills and generate intellectual property 	GA1, GA2, GA3
