DR. SAMUEL JOSEPH THEODORE

Dr Samuel Joseph Theodore was born on April 24, 1893. After completing his intermediate studies in Mathematics at American College, Madurai, he pursued a B.A. in Physics at Cornell University, Ithaca, New York, graduating in 1916. During his time at Cornell, he earned several accolades, including the prestigious Phi Beta Kappa key and a travelling scholarship. This scholarship enabled him to study Philosophy at Yale University's Divinity School, where he completed his M.A. in 1919.

Following his brief return to India, Dr Theodore returned to Yale in 1922 with another travelling scholarship. He then proceeded to Mansfield College, Oxford, where he spent three years (1922–1925) pursuing postgraduate research, culminating in a B.Litt. degree and a Diploma in Education. In 1931–32, he completed his Ph.D. at Yale, with the degree conferred upon him in 1932.

In June 1925, Dr Theodore was appointed Professor of Philosophy at Madras Christian College. He was later appointed Vice-Principal in 1931, a position he held until his untimely death in 1936, except for a brief interval in 1934–35 when he served as the College Bursar. Throughout his tenure, he actively engaged in all facets of college life, including sports, student societies, hostels, academics, and religious activities. He also served as Superintendent of the College High School for one year.

Beyond his college responsibilities, Dr Theodore contributed to the University of Madras as a member of the Senate and Academic Council. He chaired the Board of Studies in Philosophy and served on the Honours Board of Examiners in Philosophy. His involvement extended to various significant inter-denominational religious bodies.

Dr Theodore's academic achievements reflect his intellectual prowess. He possessed a deep and far-sighted seriousness of purpose, a strong sense of duty, profound yet unobtrusive Christian piety, and a refined personality. Tragically, this simple and quiet man passed away in 1936, at the prime of his life.

The emblem of the College is a graphic representation of the philosophy of the College.

The upper part of the anchor takes the form of a Cross. The hand at the top of the College emblem has three fingers raised in blessing. The anchor symbolizes firmness in times of storm.

The Latin motto, '*In hoc signo*', is traced to an important event in the life of Constantine the Great (AD 274-337), the first Christian Emperor of Rome. Before an important battle, he saw a Cross shining in the sky and these words: "*in hoc signo vinces...* with this on your banner, you will win!"

PRAYER FOR THE COLLEGE

O Thou, who in days past didst put it into the hearts of good men to found this College; for the imparting of sound learning, the building of character and the spread of spiritual truth and knowledge of Thyself. Bless our College and Schools; may love, unity and brotherhood be learnt here; may industry, uprightness and courage grow here; and from this place may there be sent forth continually a stream of men and women who shall serve Thee faithfully in Thy world.

Amen.

PRAYER FOR THE ALUMNI

O God, of whose gift alone it cometh that Thy faithful people do unto Thee true and faithful service. We pray Thee to follow with Thy blessing those students who have gone out from amongst us to serve in the wider arena of life outside these College walls. Strengthen them to meet victoriously all temptations, enable them for the faithful performance of their life-work and may they ever without fear of man follow steadfastly where duty, right and honour lead.

Amen.

A BRIEF HISTORY OF

MADRAS CHRISTIAN COLLEGE

Madras Christian College traces its origin to the General Assembly School founded by the Rev. John Anderson, a Missionary from the Church of Scotland on 3rd April 1837. Anderson was a pioneer in introducing English medium education in South India. He was ably assisted by Rev. Johnston, Rev. Braidwood and Margaret Locher Anderson. Rev. William Miller who arrived in 1862 upgraded the school to a college by adding F.A. and B.A. courses in 1865 and 1867. Along with a few other protestant missions in Madras, Miller transformed the institution and named it 'Madras Christian College' on 1st January 1877. Miller's bold academic vision, supported by the generous contribution from his family members, old students and the Madras Government, raised the most impressive array of college buildings and hostels (student homes) opposite the High Court complex. Miller was succeeded by worthy leaders such as Professors Skinner, E.M. Macphail, Meston and Hogg.

The rapid expansion of the College and the congested physical space necessitated the shifting of the college from George Town to the 390 acre sylvan Selaiyur forest in Tambaram. The 'great migration' took place on 30th January 1937 with a thanksgiving service in which the Governor Lord Erskine participated. Professor Edward Barnes and his wife Alice Barnes, who lived on the campus since 1932, painstakingly shaped and nurtured the campus, by planting hundreds of rare plants, and carving out dusty roads. Swiss Architect Mr Henry

Schaetti designed the majestic main buildings. The College hosted the famous International Missionary Conference in 1938. Women students were admitted from 1939.

Rev. Dr Alexander Boyd, who was the Principal for 18 long years (1938-'56) further shaped the character and ethos of the College. He was ably assisted by a host of European and Indian faculty.

Rev. J.R. Macphail was the last of the Scottish Principals to have served the College between 1956 and 1962.

A new era dawned in 1962 (125th Year of MCC), when Dr Chandran Devanesen took over as the first Indian Principal, who further enriched the academic stature of the College and broadened the scope of the educational process by taking it to the neighbourhood. Dr Devanesen's successors have each contributed in their own way to the growth and development of the Institution.

The year 1978 was path-breaking as MCC became one of the earliest colleges to be granted the status of Autonomy. This status enabled the College to introduce new courses, innovative curricular changes in tune with changing times, and examination reforms with focus on learner-centred continuous assessments. Autonomy also enabled the College to introduce Diploma and Certificate courses through the School of Continuing Education. The College also introduced vocational degree programmes in the Departments of History, Zoology and Commerce in 1994.

The Self-Financed Stream was started in 1999. Degree programmes of contemporary relevance and employability are offered in the Self-Financed

Stream. The College now has thirty-five departments under both the Aided and Self-Financed Streams offering Undergraduate, Postgraduate and Research programmes (Ph.D.).

The Choice Based Credit System (CBCS) was introduced in 2003–2004 enabling the College to provide more choice for the students, especially inter-disciplinary options and rationalized the workload of each paper in tune with the credits awarded.

The Halls of residence for men - Selaiyur, St Thomas's and Bishop Heber; and the Halls of residence for women - Martin, Margaret and Barnes, contribute to the rich diversity and vibrancy of the campus life. The sprawling sports fields as well as the cultural ambience of the college provide impetus towards students' personality and their all-round development.

All key milestones in the history of the college were befittingly celebrated. The 50th year i.e. 1887 witnessed the birth of Philosophy and History Unions, besides the Tamil and Telugu Associations.

The centenary of the College celebrated in 1937 was marked with the relocation of the College to the Tambaram Campus. In 1962 (125th Year) Dr S. Radhakrishnan, our distinguished alumnus, visited the College as the Vice-President of India and the MCC School as the President of India.

The 150th year was commemorated in 1987, with the Prime Minister Shri Rajiv Gandhi participating in the main function and declaring open the Miller Memorial Library.

Dr A.P.J. Abdul Kalam, the then President of India lent his gracious presence at the 170th year

celebrations in 2007 and inaugurated the Centre for International Social Work.

The Quartoseptcentennial (175th) was celebrated in the year 2012. Shri. Mohammad Hamid Ansari, Vice President of India, Prof. P.J. Kurien, Deputy Chairman of Rajya Sabha and Dr K. Rosaiah, Governor of Tamil Nadu graced the occasion. “Celebrating History and Serving Humanity” was the theme of the Quartoseptcentennial year. 100 kWp Solar Power Plant, Commerce Block and IGH Extension wing marked some of the 175th year celebration activities. In the year 2013, the College was reaccredited by NAAC with A Grade (Highest Grade). In 2016 the College was awarded the status of ‘College with Potential for Excellence’.

Madras Christian College established the ‘MCC Boyd-Tandon School of Business’ in 2016, which aims to offer world class business education.

The College is first among the Arts and Science colleges in the state of Tamil Nadu in meeting the Solar Purchase obligation, as it generates 50 per cent of its power needs through solar energy.

The College with its rich history of Research, embarked into the world of Innovations and entrepreneurship through the launching of the MCC Institution’s Innovation Council (MCC IIC), MCC Research Colloquium (MCC RC) and MCC Entrepreneurship Development Cell (MCC EDC) and MCC Ideation Club during the year 2020. The Best Innovators Award was introduced in the following year to encourage the Staff members and Students to engage themselves in active research leading to Innovation.

Prof Edward Barnes Tree Plantation Drive which

began in 2020, re-emphasized the preservation of the green cover on campus. Many students were driven with enthusiasm to the newly formed MCC Wildlife Conservation Club and MCC NDLI club.

New Undergraduate Programmes such as B.Com. (Professional Accounting), B.Sc. Psychology and B.Sc. Hospitality & Tourism were introduced, apart from the revival of B.A. History (Vocational) programme specializing in Archaeology & Museology.

MCC spontaneously responded to the global pandemic viz. Covid-19 through its MCC Covid Task Force which reached out to the unreached during the neediest time. The MCC Covid19 Tele-counselling Centre was established through a fruitful collaboration with the District Administration. The College received the IMA Tambaram Doctors' Day Award 2021 for its yeoman services to the society during the Pandemic.

MCC was recognized by the Senate of Serampore to be an Examination Centre for the Bachelor of Christian Studies Programme of the Serampore College.

The year 2022 witnessed the Dedication of the Meston Centre for Teaching and Learning, Renovated Children's Park and Research Scholars Chamber. The MCC Community College was recognized as a Training Centre by the National Skill Development Corporation (NSDC). Research Paper Publication Awards for Faculty, Scholars and Students were introduced. B.Sc. Computer Science Programme was launched under SFS.

In 2023, the Alumni and Public Relations Office was refurbished and expanded as the Alumni

Development Office to facilitate the engagement with the alumni network and to create opportunities for the alumni to give back to their alma mater with their ‘time, treasure and talent’. MCC-IAS Academy’s Satellite program was launched in the college campus and the Ideation club was renamed as Innovators Club and brought under Part V of the curriculum framework.

A historic funding by MRF Ltd. in 2021 led to the establishment of the MCC-MRF Innovation Park, the first of its kind in Arts and Science Colleges in India. Dedicated on 17th March 2021, the Park features advanced laboratories and collaborative spaces to foster innovation, research, and student-led start-ups.

It was formally inaugurated on 14th December 2024 by the honorable Deputy Chief Minister of Tamilnadu, Thiru. Udhayanidhi Stalin. This ecosystem would foster the culture of innovation and entrepreneurship among students of liberal arts and science students as trend setting measure. Promoting value creation through arts and sciences as domains through innovator’s club under Institution Innovation Club under Institution Innovation Club (IIC) will be realised through MCC- MRF Innovation Park as a student support system.

Bisleri’s MCC Lake Rejuvenation Project: A Milestone in Water Conservation: On July 26, 2024, MCC celebrated the rededication of its rejuvenated lake, now capable of holding nearly 20 million liters of water. Implemented by Mega Foundations and Scrub Society, *under the patronage of Bisleri International Limited*

the project involved desilting, planting native vegetation, and introducing IoT-based water quality monitoring — marking a significant step toward sustainable environmental stewardship.

The SFS Silver Jubilee (1999–2024) celebrations at Madras Christian College (MCC) featured a variety of events reflecting its core values.

The College was ranked 14th in India by the National Institutional Ranking Framework (NIRF) in 2024.

Academic excellence, spiritual vitality and social relevance have remained the guiding principles of the Institution down the decades.

COURSE STRUCTURE

Choice Based Credit System (CBCS)

The introduction of the CBCS in 2003-'04 ensures compatibility with the academic norms practiced in similar institutions in India and abroad. The Government of Tamil Nadu proposed a common structure under CBCS to be implemented by Government, Government Aided and Self-Financed Colleges across Tamil Nadu from the academic year 2008-2009.

CBCS at the Undergraduate Level

The structure of undergraduate courses under the CBCS in the semester pattern provides a wide range of courses for students to choose, based on their aptitude and career goals. The undergraduate curriculum includes the following categories of courses in order to accomplish a holistic approach to undergraduate education. The 3 year - 6 semester curriculum has the following components:

- Part I – **Tamil or any other language** (Telugu, Malayalam, Kannada, Hindi, Sanskrit, French, German) is offered in the first four semesters.
- Part II – **English** is offered in the first four semesters.
- Part III – **Major papers** (including practical and project work) and **Allied papers** are offered by each of the departments with a number of innovative and contemporary courses. Allied courses are designed to complement the major courses of study. The compulsory allied courses are decided by the department. The optional

allied courses are chosen by students from a list of three allied subjects specified by departments.

Part IV – **Non-major courses** listed below are offered under this category, during the first two semesters only.

- (a.1) **Basic Tamil (BT)** - Those who have not studied Tamil up to XII standard and have taken a non-Tamil Language under Part I shall take Basic Tamil.
- (a.2) **Advanced Tamil (AT)** – Those who have studied Tamil up to XII standard and have taken a non-Tamil language under Part I shall take Advanced Tamil.
- (a.3) **General Course (GC)** – Students who do not come under (a.1) or (a.2) shall opt for General Course. This Course encompasses topics of introduction to each major discipline. Students may choose to study anyone other than those offered by their Department.
- (b) **Skill-Based Courses** – Personality Development (PD), Inter-disciplinary Elective (IDE), General Elective (GE) and Computer Training Programmes are offered in 3rd, 4th and 5th semesters. An Inter-Disciplinary Elective and a General Elective are offered by each department to impart skill-based learning experience, thus providing an opportunity to gain knowledge in an application-oriented subject.
- (c) **Environmental Studies** – Environmental Studies – The Environmental Studies is a

mandatory Course for all undergraduate students offered under Part IV in the second year of the programme. This course aims to create environmental awareness among students, promote sustainable development and resource management. The Sylvan Campus of MCC offers wide scope for environment-based Experiential Learning and Practical Tasks. Environmental Studies is offered during the Semester III for Arts and Humanities and Semester IV for Sciences of the Aided stream. Self-financed stream offers this course during Semester III for all programmes.

The Internal Continuous Assessment Tests I and III will be theory-oriented written tests and the best mark secured among these tests will be taken into consideration whereas ICA II is a compulsory Project which will be carried out in groups comprising 4 to 5 students. Submission of Report and viva-voce examination are the integral part of this project. Average of ICA Test will be calculated based on the best of ICA I/ ICA III and ICA II project as a compulsory component.

End of Semester Examination will be for 100 Marks (only theory) following the common LOCF question paper prescribed by the College. For more details on ICA II, refer to the syllabus.

(d) **Value Education** – This is a value-

oriented, interdisciplinary compulsory programme, which is a part of the Foundation Course offered to all I year Undergraduate students.

The Programme is divided into:

(i) Social Ethics - For all I UG students in Semester I.

(ii-a) Christian Studies - For all I UG Christian Students which is also open to others in Semester II.

(or)

(ii-b) Social studies or Gender studies for all other I UG students in Semester II.

Part V – Extension Activities - It is mandatory for students to take part in any of the following extension activities:

- National Cadet Corps (NCC)
- National Service Scheme (NSS)
- Unnat Bharath Abhiyan (UBA)
- Scrub Society
- Wildlife Conservation Club (WCC)
- Innovators' Club (IC)
- Civil Services Forum (CSF)
- Macphail's Theare Club
- Electoral Literacy Club (ELC)
- Physical Education
- Service-Learning Programme
- Department Association Activities

Students must register for the following courses, as applicable, a week before the re-opening of the semester. No changes will be entertained after the students register their choice of subject.

I UG	I&II Semesters	General Course
I UG	I&II Semesters	Value Education
II UG	III Semester	Allied Course
II UG	IV Semester	Inter- Disciplinary Elective
III UG	V Semester	General Elective

National Cadet Corps (NCC)

Those who join must continue for three years.
Incentives for Cadets:

1. Bonus marks for higher studies and Government jobs.
2. Preference in the selection for State / Central Uniformed Services.
3. Direct commission as officers in the Indian Defence Service.

National Service Scheme (NSS)

The National Service Scheme was started on September 24, 1969, with the motto “**Not Me But You**”. Here, students participate in social service to develop a sense of involvement in the tasks of national development. The National Service Scheme at Madras Christian College (Autonomous) has significantly transformed numerous lives, being one of the earliest institutions to establish NSS at the college level. We have organised events of diverse nature, including awareness rallies, environmental clean up drives, blood donation camps, tree plantation initiatives etc. The Youth Red Cross and Red Ribbon Club also function under NSS at Madras Christian College (Autonomous). A significant feature of NSS is the annual seven days

special camp, where students gain an understanding of grassroots realities as well as a certificate that is beneficial for their future. Students who join NSS must participate actively for two years, fulfilling 120 hours of service each year.

Unnat Bharat Abhiyan (UBA)

Unnat Bharat Abhiyan (UBA), was established in 2024 and every academic year 30 students join the rural transformation movement.

Unnat Bharat Abhiyan was launched by the Ministry of Education, India, with the vision to involve the professional and other higher educational institutions of the country for the sustainable development of villages. Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India and to have a paradigm shift in academic and research programs of the country.

UBA encourages students to work for rural development while learning about rural India and challenges faced by rural communities. It motivates students to come up with solutions and alternatives to address the real time issues faced by villages by using a multidisciplinary approach.

Scrub Society

Scrub society started as a small eco club by a group of students calling themselves as ‘Green Freaks’ to safe guard the greenery of this scrub jungle. Later they formed a society with a group of 20 members, called ‘Scrub Society’, mainly to protect the forest cover of the campus. The members of the society were essentially eco-enthusiasts who voluntarily joined the society to learn more about the scrub

jungle and its biodiversity. They also helped in campus cleaning, setting a nursery and safeguarding the greenery from any proposed anthropogenic activities.

Our society's mission is clear: to protect and preserve the natural beauty of our campus. Through activities like campus walks, bird watching, tree census, tree planting, and campus cleaning, we continue to inspire and educate our community about the importance of environmental stewardship.

Wildlife Conservation Club

The Wildlife Conservation Club (WCC) of Madras Christian College (Autonomous) was inaugurated on 11th October 2021. WCC has been constituted to conserve and to sustain the diverse wildlife in Campus, and to mitigate any conflicts that may arise. WCC strives to create an environment where animals and humans may coexist in peace and harmony in a mutually interconnected atmosphere. WCC is currently involved in managing the conflict between the wild and domestic animals present on our campus. The club has also proposed a host of activities throughout the academic year, with the broad vision of conserving both flora and fauna within our campus which is vital for their co-existence, and thereby conserve and sustain a tradition that has been consistently nurtured over the past 100 years. Innovators' Club

Innovators' Club is an optional extension activity under Part V of the UG curriculum. The student who chooses and joins in this extension activity must continue for 3 years, and should be an active participant in all the activities of the club. The student

shall choose to be a part of this club from the first semester of their UG programme. The innovators' club is an activity-based curricular module, supported and organized by the MCC-Institution's Innovation Council, MCC-Entrepreneurship Development Cell and MCC-MRF innovation Park (MMIP). This module aims to take the students through a series of activities including in-house and invited lectures and demonstrations, bootcamps, field/industry/incubator visits, interaction with entrepreneurs and start-ups, and support and mentoring from MMIP. The students will be oriented on innovation and entrepreneurship culture of the college during the first semester, and various components including concepts of ideation and design thinking, innovation, proposal making, pitching, prototype development and process validation, and grant opportunities will be introduced to them during the three years in a staggered manner. The outcome of this module will be to make the students understand the concept of innovation and entrepreneurship, and help them to develop entrepreneurial skills and establish start-ups through a guided support system.

Civil Services Forum

The Civil Services Forum (CSF) at our college is a vibrant, student-centric initiative designed to nurture aspiring civil servants right from their undergraduate years. It plays a crucial role in the early grooming of aspirants, creating an ecosystem that blends academic enrichment with peer-driven learning. Functioning as a strong support to the Satellite Programme for UPSC coaching, which provides rigorous and intensive classes, the Forum complements structured teaching with student-led activities such as weekly discussions on current

affairs, general studies, and policy issues. The Forum emphasizes not only conceptual clarity but also the development of essential skills such as analytical thinking, effective communication, and the ability to present arguments coherently. By fostering a strong reading culture and providing a platform for dialogue, the CSF empowers students to stay updated, engaged, and motivated throughout their preparation journey. Ultimately, it serves as a springboard for aspirants to steadily advance toward their civil services dream.

Electoral Literacy Club (ELC)

Electoral Literacy Club (ELC) Established in 2023, the ELC admits 25 first year UG students each year. ELC is formed to educate students and community members about the electoral process. It promotes awareness of voting rights, responsibilities, and the importance of free and fair elections. ELCs encourage young voters to participate actively in the democratic process. They organize activities like mock elections, quizzes, and discussions on electoral topics. These clubs aim to build a culture of informed and ethical voting among future citizens.

Macphail's Theatre Club

Theatre can be an effective medium to improve not only acting skills but also to hone one's personality. Language and communication skills improve dramatically and the ability to cope with life's challenges can be learnt through theatre. Named after the last Scottish Principal, Rev. James Russell Macphail, the Macphail's Theatre Club is focused on training students in theatre skills, production of plays, and also serving the community at large through its community theatre practice.

EXAMINATION

University of Madras Guidelines for completion of UG and PG degree programmes for the batch of students admitted to the course with effect from 2018-2019.

1. A student who, for whatever reason, is not able to complete the programme within the normal period (N) or the Minimum duration prescribed for the programme, may be allowed two years period beyond the normal period to clear the backlog to be qualified for the degree. (Time Span = $N + 2$ years for the completion of programme).
2. In exceptional cases such as major accidents and child birth, an extension of one year be considered beyond maximum span of time (Time Span = $N + 2 + 1$ year for the completion of programme).
3. Students qualifying during the extended period shall not be eligible for RANKING.

Internal Continuous Assessment (ICA)

The Internal Continuous Assessment (ICA) and

End of Semester Examination (ESE), each carrying 50% marks, form the basis for grading student performance in each paper. The passing minimum in ESE is 20/50 for UG and 25/50 for PG programmes.

a) ICA Theory

Internal Continuous Assessment tests for theory will be centrally administered by the College through the Examination Office. Three tests will be conducted for each theory paper - two written tests and an assessment of accepted innovative components such as a seminar, term paper, project, assignment, portfolio, power-point presentation, quiz, objective test, etc or a combination of the above, as decided by the course teacher or HoD (The programme of such evaluation will be fixed before the commencement of that semester in consultation with the respective Academic Deans). Each test will carry a maximum of 50 marks and best two out of three will be considered. The Timetable for the ICA tests I and III will be scheduled and notified by the Examination Office in the College Calendar. ICA II based on innovative techniques will span over the entire duration of the semester.

b) ICA Practical

Three tests will be conducted for each practical paper. The Time table will be scheduled by the course teacher or HoD.

Major Guidelines for ICA - IV, ICA Retake, ICA Repeat and Repeat Semester

a) ICA – IV (Theory & Practical)

Re-test is not allowed except for the students who had represented the College in sports or cultural activities on the dates of the scheduled ICA tests or for students with any justifiable reason acceptable

to the Principal. The Principal may grant special permission to such candidates for taking one additional test of three hours duration encompassing the entire syllabus of that paper. This test should be taken before the commencement of the End of Semester Examination of that semester. A record of such assessment procedure will be maintained by the department and is open for clarification by students. Students have the right to appeal to the Principal in case of glaring disparities in valuation.

b) ICA Retake (Theory & Practical)

This regulation is being implemented from the academic year 2010–2011 and extends to all students currently studying I, II & III year UG courses and I & II year PG courses. ICA Retake will be centrally administered by the Examinations Office. Eligibility for ICA retake is as follows:

- Minimum 10 marks in ICA
- Passing minimum in ESE is 20/50 for UG & 25/50 for PG
- Fulfilment of attendance requirements
- No improvement test for ICA Retake

Further, a student

- can attempt only once
- can appear for papers of any semester during the course period
- can appear for a maximum of only six papers in a semester.

c) ICA Repeat (Theory & Practical)

ICA Repeat can be availed by all UG and PG students to improve their marks after the completion of the course for any semester, subject to the following conditions:

- The students must register for ICA Repeat, by contacting the Examinations Office within a month of the commencement of a semester or checking College Website for Notice.
- A student is permitted to appear for a maximum of only ten papers in a semester
- The students should take the tests during the ICA schedule.

Eligibility for ICA Repeat is as follows:

- Marks: No minimum marks in ICA and ESE are required to avail this facility.
- Attendance: The student should not have lack of attendance.

d) Repeat Semester (Theory & Practical)

Students who do not have adequate attendance and those who missed a semester will have to register for Repeat Semester after completion of the course. These students will have to attend classes, compensate for loss of attendance and appear for the ICA along with the regular students. I/III/V Repeat Semester students can apply only during the odd semester and II/IV/VI Repeat Semester students can apply during the even semester.

Students have to contact the Dean of Student Affairs to register for the ICA - IV and Repeat Semester before the commencement of the semester. The ICA - IV and ICA Repeat will be conducted by the respective Departments.

End of Semester Examination (ESE)

- a) The academic year is divided into two semesters, the first from June/July to November/December and the second from November/December to April/May. Each semester will have a minimum

of 90 working days excluding study holidays and examination days. Examinations will be conducted in courses of all semesters in Nov/Dec and April/May every year for all UG and PG courses.

- b) The schedule for ESE Practicals will be notified by the Controller of Examinations.
- c) A student who fails in one or more courses in any semester will be permitted to reappear for the same at the subsequent End of Semester Examination, subject to the student fulfilling the attendance requirement. A student whose attendance falls short of 50% will be required to repeat that semester by enrolling again at the end of the course. Course work set for each examination will follow the regulations and syllabi in force at the time.
- d) To qualify for the UG / PG Degree, supplementary candidates are required to pass in all the courses prescribed for the programme within six/four semesters immediately after the completion of the programme. Beyond that period, the candidates will follow the current syllabus for the examinations. A late fee per year for each course shall be levied.
- e) Examination Fees will be levied as per the University rates. A special fee is collected for supplementary papers. Only those students who obtain 'No dues' clearance from the Bursar's Office/Hall/Departments are eligible to obtain the Hall Ticket for the End of Semester Examinations.

Grading System (from 2011 onwards)

1. Passing minimum for UG programme is 40% of marks in the End of Semester Examination and

40% of the total marks in the Internal Continuous Assessment and End of Semester Examination put together in each course.

2. Passing minimum for PG programme is 50% of the marks in the End of Semester Examination and 50% of the total marks in the Internal Continuous Assessment and End of Semester Examination put together in each course.
3. Minimum credits required (2008-2009 onwards)
 - (i) Three year UG Programme : 140 (from 2023-2024 Batch onwards)
 - (ii) Two year PG Programme : 100 (from 2008-2009 Batch onwards)
 - (iii) MCA Programme : 100 (from 2022-2023 Batch onwards)

RULES AND REGULATIONS

Attendance Regulations

A new Attendance ERP has been developed, with three unique portals - for Head of Departments, Faculty, Students & their Parents/Guardians respectively. Students, Parents/Guardian would be able to monitor their attendance status every day. Attendance notification will be displayed periodically in the Department.

- **Attendance will be calculated on hourly basis.**
- **If a student is absent for an hour, he/she will lose attendance for that hour.**
- **Based on the number of hours present, percentage of attendance will be calculated to decide the category in which the student falls for the eligibility to appear for the End of Semester Examinations.**
- **Attendance is compulsory for all the hours including GC / BT / AT / ID / EVS / GE / PD / Soft Skills/Language and Part II English.**

Attendance Notification

The attendance details will be displayed on the respective Department Notice Boards and in the College website once in every 30 days. Clarifications, if any, regarding attendance should be sought from the Dean of Student Affairs / Director (SFS) within three days of publication of the Attendance notification. Percentage of attendance for those who joined late will be calculated from the date of joining the programme.

Category I

Each student is required to have a minimum of 75% attendance for appearing in the End of Semester Examinations (Theory and Practical).

Category II

If a Student fails to earn the minimum attendance (Percentage stipulated), the Principal shall condone the shortage of attendance up to a maximum limit of 10% (i.e. between 65% and above and less than 75%) after collecting the prescribed fee of Rs.250/- for Arts departments and Rs 500/- for Science departments, (Rs 250/- each for Theory & Practical separately), towards the condonation of shortage of attendance.

Obtaining condonation is not a matter of right. However, the Principal may condone shortage of 35% of attendance for a semester, only for a student with attendance of 65% and above and less than 75%. A student can avail condonation only once during the course of study.

Category III

Students who have less than 65% but more than 50% of attendance are NOT ELIGIBLE for condonation of shortage of attendance and such students will not

be permitted to appear for the regular examinations. However, they will be allowed to proceed to the next semester of the Programme. The Student will be allowed to write those papers as arrears in the subsequent End of Semester Examinations. A student can avail this additional provision only once during the programme.

Category IV

Students who have less than 50% of attendance shall be permitted to proceed to the next semester and complete the programme of study. Such Students shall have to repeat the semester, which they have missed, by re-joining after completion of final semester of the Programme, by paying the fee for the break of study period as prescribed by the College.

V. Condonation of shortage of attendance for married women students (Category V)

With regard to married women students undergoing UG programmes, the minimum attendance for condonation (Theory / Practical) shall be relaxed and prescribed as 55% instead of 65% if they conceive during their academic career. Medical certificate from the Doctor (D.G.O) attached to a Government Hospital and the prescribed fee of Rs.250/- thereof together with the attendance details shall be forwarded to the Principal to consider the condonation of attendance, mentioning the category.

Zero Percent (0%) Attendance

The Students, who have earned 0% of attendance, have to repeat the course (by re-joining) without proceeding to succeeding semester and they have to obtain prior permission from the University of Madras immediately in order to re-join the programme.

Leave of Absence as On Duty (OD)

1. The Staff-in-charge (eg: Physical Director, Vice President (CUS), NCC Officers, NSS Officers, HoDs, Wardens, other Unit heads etc.) are authorized to send the list of students who participate in events outside the College **three days before** the commencement of the event(s) to the Dean of Student Affairs (DSA) and also send the attendance / participation certificate not later than three days after the event. It is the responsibility of the student concerned to submit the form in the prescribed format to the DSA **within the stipulated time**. On Duty letters will not be entertained at a later date.

Students should periodically check their Attendance ERP for their Attendance/OD updates, and discrepancies, if any, should be brought to the notice of the Office of the Dean of Student Affairs within three days of the occurrence of the discrepancy.

2. A. General On Duty (OD)

For Students in NCC/NSS/Sports/CUS / Halls / Departments / SCM / IIC / Choir / Tamil Peravai / Scrub Society / Wildlife Conservation Club etc., a maximum of 10 Days of OD per Semester will be sanctioned by the Dean of Student Affairs, on behalf of the Principal on perusal of the details provided in the OD Form.

B. Special Purpose On Duty

Students seeking OD beyond the permissible number of days mentioned in 2.A, shall apply to the Principal, through their respective Departments / Unit Heads, prior to the event, for approval.

3. For NCC/NSS/Sports etc., preferably all camps should be organized during vacations. The Unit Heads are required to produce necessary document(s) pertaining to the student participation in their unit activities, including blood donation and collection of uniform from Head Quarters. Any special requests other than the above should be referred to the Principal.
4. **Joining Report:** Any student availing OD for events outside the College, should submit a Joining Report within three days of availing such OD, along with the necessary attendance certificates, event certificates, etc.
5. **Sports Attendance:** For Sports Attendance, kindly refer to the Sports Attendance Policy given in the College Website.

ANTI-RAGGING POLICY OF THE INSTITUTION

MCC Pulicat Estuarine Biological Research Centre (MCC-PEBRC)

With encouragement from the then Principal and financial support from the UGC, the MCC-PEBRC was founded in 1968. Regular field study tours for Zoology students are conducted to study the Pulicat Lake ecosystem and its biodiversity. Research on them has resulted in nearly twenty Ph.D. theses, publication of three books, and several journal and conference papers.

This field laboratory and its dormitory managed

by the Department of Zoology, amidst the scenic beauties of the Pulicat Lake is utilized by all departments of our college for interdisciplinary studies relevant to that locale and its fisherfolk, in collaboration with the Department of Zoology.

With the funding from the United Board, a dormitory and other relevant facilities were added in 2009.

MCC Farm

The MCC Farm that had its inception in the 1960s in an informal way, has developed into a dynamic resource centre today for various agriculture and animal husbandry related work. Primarily conceptualized to be a platform meant to initiate students to real-time learning with hands-on training, this unit has been a highly impactful catalyst to the farming community in and around neighbouring villages. Students from the Departments of Botany, Chemistry, Commerce, Communication, Computer Science, Economics, Geography, History Journalism, Languages, Microbiology, Physics, Social Work, Statistics, Tourism and Zoology have benefited by contributing to the farm-based research and surveys.

A perfectly laid out agriculture field with appropriate fencing, the Farm also hosts a Community Centre, Composting Area, Farm Office, Orchard, Piggery, Poultry, 500kVA Solar Power Plant along with a 375,000 litre capacity Sewage Treatment Plant. Of the thirty acres with effective fencing earmarked as farm area, the neatly laid out road, along with the built-up facilities that include the office space occupies around 2.5 acres.

About 19 acres have been allotted for orchards that currently include amla, banana, coconut,

guava, mango and sapota. The solar power plant that can cater to 50% of the entire power needs of the institute and the Sewage Treatment Plant that recycles all the grey water from campus on a daily basis occupies about five acres. Of the remaining 4.5 acres, the pond and the park occupy 1.5 acres, while the rest of the place is utilized for growing seasonal crops. The resultant yield / produce is subsequently sold to staff and neighbouring customers. The staff and students of MCC have always been encouraged to conduct their projects at the MCC Farm. The concept of 'Earn While You Learn' has also been integrated into the system. In addition, a drive has been initiated in order to make the MCC Farm as a Volunteering Centre and Student Internship Centre, in order to add value to campus produce/ commodities.

Meston Centre for Teaching and Learning (MCTL)

The Meston Centre for Teaching and Learning at Madras Christian College, established in 2020, is a learning space for faculty and students to collaborate and create innovative learning systems and models to meet the needs and challenges of the present. As a result of a decade-old fruitful partnership with South Korean Universities, the MCC-Hanshin Hope Centre was established in 2018 at Mudichur area in West Tambaram. The centre has well-equipped kitchen, Halls, Bakery, Computer Room, Seminar Hall and a Library. These facilities will help B.Sc. Hospitality & Tourism students and faculty in practicum and in hosting women’s self-help groups.

MCC Infirmary

The newly established health centre dedicated in 2019 is equipped with basic lifesaving equipment such as ambu bag, oxygen cylinder with flow meter, foldable stretcher, wheel chair, water dispenser (hot & cold), ECG Machine, separate observatory room for female and male with separate nebulizer machine and IV stand and backrest, emergency injections, etc. As per the Tamil Nadu Pollution Control Board procedure, we have a tie-up with G.J. Multiclave for our bio-medical waste disposal services. The health centre is open on all working days from 09.00 a.m. to 12.00 p.m. and from 02.00 p.m. to 05.30 p.m.

Ek Bharat Shreshtha Bharat

Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. The states carry out activities to promote a sustained and structured cultural connect in the areas of language learning, culture, traditions & music, tourism & cuisine, sports and sharing of best practices, etc. For more information, contact the Office of the Dean of Student Affairs or write to: dsa@mcc.edu.in

MCC Alumni Association

The MCC Alumni Association, formerly known as “Christian College Day Association” was founded in 1891 and is the oldest of its kind in India. In December 1963, the Association implemented a new constitution and changed its name to “Alumni Association” with the stated objectives of the development of the College and fostering of cultural and social interests of the alumni through meetings and publications.

The Alumni and Public Relations Office was set up in 1962 and it oversees the activities of the Association. Over the years, the Association has supported many noble causes in the College including the construction of the Devanesen Memorial theatre, the Miller Memorial Library, the International Guest House, the C. A. Abraham Pavilion and the compound wall. Today, the association has 22 chapters in India and 11 chapters in other parts of the world.

When a student leaves the College at the end of the course, he/she automatically becomes an annual member of the Association. One can then choose to become a permanent member, along with a long list of outstanding alumni, such as Dr S. Radhakrishnan, Dr A.L. Mudaliar, Dr Raja Ramanna, Mr T.T. Krishnamachari, Mr Eric Prabhakar, Mr M.M. Rajendran, Mr T.N. Seshan, Mr Mammen Mappillai, Mr Suresh Krishna, Mr C.D. Gopinath, Dr Pratap C. Reddy, Mr K. Vijay Kumar, Mr E.L. Philip, Justice P.D. Dinakaran, Justice A.K. Rajan, General Sundarji, Ms Shanta Sheela Nair, Ms Sheila Priya, Ms C.S. Lakshmi (Ambai), Ms Indra Nooyi, Ms Chandrika Tandon, Mr Prakash Karat, Mrs Leela Ponappa, Prof. C.T. Kurien to name a few. Life membership or Donor membership supports several alumni programmes and provides life-time contact with the Alma mater.

The MCC Alumni Association organised a historic “Global Alumni Reunion” on the 27th and 28th of July 2013. Around 1,500 alumni from across the globe witnessed this great event. Many distinguished alumni from various walks of life enriched this event with their presence.

The MCC Alumni Association also celebrated its 125 years of existence through a mega event on August 6 and 7, 2016.

MCC Boyd-Tandon School of Business

Founded by Rev. John Anderson, a Scottish missionary 184 Years ago, Madras Christian College has been tirelessly serving God while contributing richly in shaping minds towards Nation building. Being responsive to changing times MCC Boyd-Tandon School of Business was set up in 2016. The two pillars of the MCC Boyd-Tandon School of Business are Dr Alexander John Boyd, the Prince of Principals (1938-56), and the world-renowned philanthropist & educator Ms. Chandrika Krishnamurthy Tandon who is also an MCC alumna (B.Com. 1970-'73). Hence the school is christened MCC Boyd-Tandon School of Business.

The Foundation Stone was laid on 16 December 2019 and the building construction is in rapid progress. The Business School is engaged with the industry and business world networking with the corporates to poise Management Education as the learning experience springing from and leading to industrial situations and global trends.

While preparing to set up a world-class Business School with its flagship AICTE approved programme of PGDM, it offers Professional Diplomas and Certificates to upskill youth with the prevalent trend in the corporate world such as Business Analytics, Digital Marketing, Corporate Social Responsibility, etc.
