Tambaram East, Chennai - 600 059

Reaccredited with 'A' Grade by NAAC, 2019

16th Ranked College in India by NIRF, 2025

CALENDAR
2026 - 2027

The emblem of the College is a graphic representation of the philosophy of the College.

The upper part of the anchor takes the form of a Cross. The hand at the top of the College emblem has three fingers raised in blessing. The anchor symbolizes firmness in times of storm.

The Latin motto, *'In hoc signo',* is traced to an important event in the life of Constantine the Great (AD 274-337), the first Christian Emperor of Rome. Before an important battle, he saw a Cross shining in the sky and these words: *"in hoc signo vinces...* with this on your banner, you will win!"

PRAYER FOR THE COLLEGE

O Thou, who in days past didst put it into the hearts of good men to found this College; for the imparting of sound learning, the building of character and the spread of spiritual truth and knowledge of Thyself. Bless our College and Schools; may love, unity and brotherhood be learnt here; may industry, uprightness and courage grow here; and from this place may there be sent forth continually a stream of men and women who shall serve Thee faithfully in Thy world.

Amen.

கல்லூரி இறைவேண்டல்

அன்புநிறை இறைவா!

சிறந்த கல்வியை வழங்கிடவும் உயர்ந்த பண்புகளை உருவாக்கிடவும் உம்மைப் பற்றிய ஆன்மிக உண்மையையும் அறிவையும் பரப்பிடவும் இத்தகைய கல்லூரியை நிறுவ வேண்டுமென்று நல் மனிதர்களின் உள்ளங்களில் நல்லெண்ணத்தை விதைத்தவரே! இக்கல்லூரிக்கு உம்முடைய ஆசியை வழங்குவீராக!

அன்பும் ஒற்றுமையும் சகோதரத்துவமும் இங்கே கற்பிக்கப்பெறட்டும். உழைப்பும் நேர்மையும் அஞ்சாமையும் இங்கே வளர்க்கப்பெறட்டும். இங்கிருந்து உமது உலகிற்குள் உமக்காய் உண்மையாய்ப் பணி செய்யும் ஆண்களும் பெண்களும் தொடர்ந்து அனுப்பப் பெறவேண்டுமாய் வேண்டிக் கொள்கிறோம்.

ஆமென்.

PRAYER FOR THE ALUMNI

O God, of whose gift alone it cometh that Thy faithful people do unto Thee true and faithful service. We pray Thee to follow with Thy blessing those students who have gone out from amongst us to serve in the wider arena of life outside these College walls. Strengthen them to meet victoriously all temptations, enable them for the faithful performance of their life-work and may they ever without fear of man follow steadfastly where duty, right and honour lead.

Amen.

A BRIEF HISTORY OF

MADRAS CHRISTIAN COLLEGE

Madras Christian College traces its origin to the General Assembly School founded by the Rev. John Anderson, a Missionary from the Church of Scotland on 3rd April 1837. Anderson was a pioneer in introducing English medium education in South India. He was ably assisted by Rev. Johnston, Rev. Braidwood and Margaret Locher Anderson. Rev. William Miller who arrived in 1862 upgraded the school to a college by adding F.A. and B.A. courses in 1865 and 1867. Along with a few other protestant missions in Madras, Miller transformed the institution and named it 'Madras Christian College' on 1st January 1877. Miller's bold academic vision, supported by the generous contribution from his family members, old students and the Madras Government, raised the most impressive array of college buildings and hostels (student homes) opposite the High Court complex. Miller was

succeeded by worthy leaders such as Professors Skinner, E.M. Macphail, Meston and Hogg.

The rapid expansion of the College and the congested physical space necessitated the shifting of the college from George Town to the 390 acre sylvan Selaiyur forest in Tambaram. The 'great migration' took place on 30th January 1937 with a thanksgiving service in which the Governor Lord Erskine participated. Professor Edward Barnes and his wife Alice Barnes, who lived on the campus since 1932, painstakingly shaped and nurtured the campus, by planting hundreds of rare plants, and carving out dusty roads. Swiss Architect Mr Henry Schaetti designed the majestic main buildings. The College hosted the famous International Missionary Conference in 1938. Women students were admitted from 1939.

Rev. Dr Alexander Boyd, who was the Principal for 18 long years (1938-'56) further shaped the character and ethos of the College. He was ably assisted by a host of European and Indian faculty.

Rev. J.R. Macphail was the last of the Scottish Principals to have served the College between 1956 and 1962.

A new era dawned in 1962 (125th Year of MCC), when Dr Chandran Devanesen took over as the first Indian Principal, who further enriched the academic stature of the College and broadened the scope of the educational process by taking it to the neighbourhood. Dr Devanesen's successors have each contributed in their own way to the growth and development of the Institution.

The year 1978 was path-breaking as MCC became one of the earliest colleges to be granted

the status of Autonomy. This status enabled the College to introduce new courses, innovative curricular changes in tune with changing times, and examination reforms with focus on learner-centred continuous assessments. Autonomy also enabled the College to introduce Diploma and Certificate courses through the School of Continuing Education. The College also introduced vocational degree programmes in the Departments of History, Zoology and Commerce in 1994.

The Self-Financed Stream was started in 1999. Degree programmes of contemporary relevance and employability are offered in the Self-Financed Stream. The College now has thirty-five departments under both the Aided and Self-Financed Streams offering Undergraduate, Postgraduate and Research programmes (Ph.D.).

The Choice Based Credit System (CBCS) was introduced in 2003–2004 enabling the College to provide more choice for the students, especially inter–disciplinary options and rationalized the workload of each paper in tune with the credits awarded.

The Halls of residence for men - Selaiyur, St Thomas's and Bishop Heber; and the Halls of residence for women - Martin, Margaret and Barnes, contribute to the rich diversity and vibrancy of the campus life. The sprawling sports fields as well as the cultural ambience of the college provide impetus towards students' personality and their all-round development.

All key milestones in the history of the college were befittingly celebrated. The 50th year i.e. 1887 witnessed the birth of Philosophy and History Unions, besides the Tamil and Telugu Associations.

The centenary of the College celebrated in 1937 was marked with the relocation of the College to the Tambaram Campus. In 1962 (125th Year) Dr S. Radhakrishnan, our distinguished alumnus, visited the College as the Vice-President of India and the MCC School as the President of India.

The 150th year was commemorated in 1987, with the Prime Minister Shri Rajiv Gandhi participating in the main function and declaring open the Miller Memorial Library.

Dr A.P.J. Abdul Kalam, the then President of India lent his gracious presence at the 170th year celebrations in 2007 and inaugurated the Centre for International Social Work.

The Quartoseptcentennial (175th) was celebrated in the year 2012. Shri. Mohammad Hamid Ansari, Vice President of India, Prof. P.J. Kurien, Deputy Chairman of Rajya Sabha and Dr K. Rosaiah, Governor of Tamil Nadu graced the occasion. "Celebrating History and Serving Humanity" was the theme of the Quartoseptcentennial year. 100 kWp Solar Power Plant, Commerce Block and IGH Extension wing marked some of the 175th year celebration activities. In the year 2013, the College was reaccredited by NAAC with A Grade (Highest Grade). In 2016 the College was awarded the status of 'College with Potential for Excellence'.

Madras Christian College established the 'MCC Boyd-Tandon School of Business' in 2016, which aims to offer world class business education.

The College is first among the Arts and Science colleges in the state of Tamil Nadu in meeting the Solar Purchase obligation, as it generates 50 per cent of its power needs through solar energy.

The College with its rich history of Research, embarked into the world of Innovations and entrepreneurship through the launching of the MCC Institution's Innovation Council (MCC IIC), MCC Research Colloquium (MCC RC) and MCC Entrepreneurship Development Cell (MCC EDC) and MCC Ideation Club during the year 2020. The Best Innovators Award was introduced in the following year to encourage the Staff members and Students to engage themselves in active research leading to Innovation.

Prof Edward Barnes Tree Plantation Drive which began in 2020, re-emphasized the preservation of the green cover on campus. Many students were driven with enthusiasm to the newly formed MCC Wildlife Conservation Club and MCC NDLI club.

New Undergraduate Programmes such as B.Com. (Professional Accounting), B.Sc. Psychology and B.Sc. Hospitality & Tourism were introduced, apart from the revival of B.A. History (Vocational) programme specializing in Archaeology & Museology.

MCC spontaneously responded to the global pandemic viz. Covid-19 through its MCC Covid Task Force which reached out to the unreached during the neediest time. The MCC Covid19 Tele-counselling Centre was established through a fruitful collaboration with the District Administration. The College received the IMA Tambaram Doctors' Day Award 2021 for its yeoman services to the society during the Pandemic.

MCC was recognized by the Senate of Serampore to be an Examination Centre for the Bachelor of Christian Studies Programme of the Serampore College.

The year 2022 witnessed the Dedication of the Meston Centre for Teaching and Learning, Renovated Children's Park and Research Scholars Chamber. The MCC Community College was recognized as a Training Centre by the National Skill Development Corporation (NSDC). Research Paper Publication Awards for Faculty, Scholars and Students were introduced. B.Sc. Computer Science Programme was launched under SFS.

In 2023, the Alumni and Public Relations Office was refurbished and expanded as the Alumni Development Office to facilitate the engagement with the alumni network and to create opportunities for the alumni to give back to their alma mater with their 'time, treasure and talent'. MCC-IAS Academy's Satellite program was launched in the college campus and the Ideation club was renamed as Innovators Club and brought under Part V of the curriculum framework.

A historic funding by MRF Ltd. in 2021 led to the establishment of the MCC-MRF Innovation Park, the first of its kind in Arts and Science Colleges in India. Dedicated on 17th March 2021, the Park features advanced laboratories and collaborative spaces to foster innovation, research, and student-led start-ups.

It was formally inaugurated on 14th December 2024 by the honorable Deputy Chief Minister of Tamilnadu, Thiru. Udhayanidhi Stalin. This ecosystem would foster the culture of innovation and entrepreneurship among students of liberal arts and science students as trend setting measure. Promoting value creation through arts and sciences as domains through innovator's club under Institution Innovation Club under Institution

Innovation Club (IIC) will be realised through MCC- MRF Innovation Park as a student support system.

Bisleri's MCC Lake Rejuvenation Project: A Milestone in Water Conservation: On July 26, 2024, MCC celebrated the rededication of its rejuvenated lake, now capable of holding nearly 20 million liters of water. Implemented by Mega Foundations and Scrub Society, *under the patronage of Bisleri International Limited* the project involved desilting, planting native vegetation, and introducing IoT-based water quality monitoring — marking a significant step toward sustainable environmental stewardship.

The SFS Silver Jubilee (1999–2024) celebrations at Madras Christian College (MCC) featured a variety of events reflecting its core values.

The College was ranked 14th in India by the National Institutional Ranking Framework (NIRF) in 2024.

Academic excellence, spiritual vitality and social relevance have remained the guiding principles of the Institution down the decades.

COURSE STRUCTURE

Choice Based Credit System (CBCS)

The introduction of the CBCS in 2003-'04 ensures compatibility with the academic norms practiced

in similar institutions in India and abroad. The Government of Tamil Nadu proposed a common structure under CBCS to be implemented by Government, Government Aided and Self-Financed Colleges across Tamil Nadu from the academic year 2008-2009.

CBCS at the Undergraduate Level

The structure of undergraduate courses under the CBCS in the semester pattern provides a wide range of courses for students to choose, based on their aptitude and career goals. The undergraduate curriculum includes the following categories of courses in order to accomplish a holistic approach to undergraduate education. The 3 year - 6 semester curriculum has the following components:

Part I – **Tamil or any other language** (Telugu, Malayalam, Kannada, Hindi, Sanskrit, French, German) is offered in the first four semesters.

Part II – **English** is offered in the first four semesters.

Part III – **Major papers** (including practical and project work) and **Allied papers** are offered by each of the departments with a number of innovative and contemporary courses. Allied courses are designed to complement the major courses of study. The compulsory allied courses are decided by the department. The optional allied courses are chosen by students from a list of three allied subjects specified by departments.

Part IV – **Non-major courses** listed below are offered under this category, during the first two semesters only.

(a.1) **Basic Tamil** (BT) - Those who have not studied Tamil up to XII standard and have taken a non-Tamil Language under Part I shall take Basic Tamil.

(a.2) **Advanced Tamil** (AT) – Those who have studied Tamil up to XII standard and have taken a non-Tamil language under Part I shall take Advanced Tamil.

(a.3) **General Course** (GC) – Students who do not come under (a.1) or (a.2) shall opt for General Course. This Course encompasses topics of introduction to each major discipline. Students may choose to study anyone other than those offered by their Department.

(b) **Skill-Based Courses** – Personality Development (PD), Inter-disciplinary Elective (IDE), General Elective (GE) and Computer Training Programmes are offered in 3rd, 4th and 5th semesters. An Inter-Disciplinary Elective and a General Elective are offered by each department to impart skill-based learning experience, thus providing an opportunity to gain knowledge in an application-oriented subject.

(c) **Environmental Studies** – Environmental Studies – The Environmental Studies is a mandatory Course for all undergraduate students offered under Part IV in the second year of the programme. This course aims to create environmental awareness among students, promote sustainable development and resource management. The Sylvan Campus of

MCC offers wide scope for environment-based Experiential Learning and Practical Tasks. Environmental Studies is offered during the Semester III for Arts and Humanities and Semester IV for Sciences of the Aided stream. Self-financed stream offers this course during Semester III for all programmes.

The Internal Continuous Assessment Tests I and III will be theory-oriented written tests and the best mark secured among these tests will be taken into consideration whereas ICA II is a compulsory Project which will be carried out in groups comprising 4 to 5 students. Submission of Report and viva-voce examination are the integral part of this project. Average of ICA Test will be calculated based on the best of ICA I/ ICA III and ICA II project as a compulsory component.

End of Semester Examination will be for 100 Marks (only theory) following the common LOCF question paper prescribed by the College. For more details on ICA II, refer to the syllabus.

(d) **Value Education** – This is a value-oriented, interdisciplinary compulsory programme, which is a part of the Foundation Course offered to all I year Undergraduate students.

The Programme is divided into:

(i) Social Ethics - For all I UG students in Semester I.

(ii-a) Christian Studies - For all I UG Christian Students which is also open to others in Semester II.

(or)

(ii-b) Social studies or Gender studies for all other I UG students in Semester II.

Part V – **Extension Activities -** It is mandatory for students to take part in any of the following extension activities:

- National Cadet Corps
- National Service Scheme
- Scrub Society
- Wildlife Conservation Club
- Innovators Club
- Unnat Bharat Abhiyan
- Electoral Literacy Club
- Macphail's Theatre Club
- Civil Services Forum (IASC)

- Kanitamil Peravai **(கணித்தமிழ்ப்பேரவை)**
- Model United Nations (MUN) Club
- Chess Club
- Health Literacy Club
- Science Communication Club
- Research Club
- Student Quality Club
- Sports

Students must register for the following courses, as applicable, a week before the re-opening of the

semester. No changes will be entertained after the students register their choice of subject.

National Cadet Corps

It is a premier youth development programme that instils discipline, leadership, patriotism, and a spirit of selfless service among students. Through regular training, drill, adventure activities, social service, and national integration programmes, NCC cadets develop confidence, teamwork, and a strong sense of civic responsibility. The unit also provides opportunities to participate in camps, leadership training, community outreach, and Republic Day and other national-level events, preparing students to become responsible citizens and future leaders committed to serving the nation. MCC offers students opportunities to enrol in all three NCC wings—Army (Infantry), Naval, and Air.

National Service Scheme

The National Service Scheme (NSS), launched in 1969 at MCC with the motto “Not Me But You”, is one of the earliest college-level NSS units in the country. Through community service, it instils in students a sense of social responsibility and commitment to national development. It organizes a wide range of activities, including awareness rallies, environmental clean-up drives, blood

donation camps, tree plantation initiatives, and other community outreach programmes. The Youth Red Cross and Red Ribbon Club functions under the NSS at MCC. A distinctive feature of NSS is the annual seven-day special camp, which provides students with first-hand exposure to grassroots realities and they earn a certificate that is beneficial for their future. Students are required to participate actively during their I & II years, completing a minimum of 120 hours of service during each year for earning one credit.

Scrub Society

Founded by passionate students, the Scrub Society is dedicated to protecting and preserving the lush scrub jungle that covers the Madras Christian College campus. Through its committed conservation efforts, the club safeguards the campus's unique forest ecosystem and rich greenery, ensuring that this invaluable natural heritage is preserved for future generations of students and the wider college community.

Wildlife Conservation Club

The Club promotes biodiversity conservation, animal welfare, and environmental stewardship through field-based learning, conservation outreach, and community engagement. It empowers students with the knowledge, values, and leadership skills to act responsibly alongside wildlife, embrace conservation ethics, and become dedicated stewards of nature. The Club nurtures environmentally conscious citizens who contribute meaningfully to the protection of natural ecosystems.

Innovators Club

Innovators Club is a platform that nurtures creativity, innovation, and an entrepreneurial mindset among

students. It encourages members to identify real-world problems, generate innovative ideas, develop prototypes, and transform concepts into practical solutions. Through ideation sessions, design thinking workshops, hackathons, competitions, industry interactions, and collaborative projects, the club empowers students to enhance their technical, leadership, and problem-solving skills while fostering a culture of innovation and societal impact.

Unnat Bharat Abhiyan

It is a Government of India initiative that connects higher educational institutions with rural communities to promote sustainable village development. The club fosters experiential learning through community engagement and participatory local development initiatives. Under this initiative, institutions adopt villages to implement sustainable solutions in areas such as health, education, sanitation, and livelihood. By encouraging meaningful rural–urban collaboration, the programme empowers students to become socially responsible citizens while contributing to the holistic development of rural communities.

Electoral Literacy Club

The club is an initiative of the Election Commission of India to promote electoral literacy, democratic values, and informed civic participation among young citizens. The Club sensitizes students to their democratic rights and responsibilities and familiarizes them with the electoral process. Through voter registration drives, awareness campaigns, mock elections, debates, and other interactive activities, the club encourages ethical and informed voting practices while fostering a culture

of active citizenship and responsible participation in the democratic process.

Macphail's Theatre Club

The club is named after Rev. James Russell Macphail, the last Scottish Principal of Madras Christian College and a pioneer in the College's rich theatre tradition. The club is dedicated to training students in various aspects of theatre, including voice culture, body language, stagecraft, creative use of space, and other theatrical techniques. It emphasizes the holistic development of students by nurturing their artistic and technical skills, fostering self-discovery, and enhancing interpersonal abilities. Through its annual play productions, the club provides students with opportunities to engage in every stage of theatre production, enabling them to develop into confident, creative, and well-rounded individuals.

Civil Services Forum (IASC)

The forum aims to create a supportive ecosystem for students aspiring to become future civil service officers. It provides a student-driven platform for regular discussions and updates on current affairs and general studies, fostering analytical thinking and awareness of contemporary issues. The forum also seeks to inculcate the habit of consistent reading and critical reflection, while enhancing the ability of aspirants to articulate their ideas clearly and coherently—essential skills for both examinations and interviews.

Social Media Club

The club empowers students with creative and technical skills in digital communication, content creation, photography, videography, branding, and social media management. Through hands-

on projects, event coverage, and collaborative campaigns, the club develops responsible digital storytellers and effective communicators.

Mental Wellness Club

The Club is dedicated to promoting mental health awareness, emotional well-being, and resilience among students. It provides practical training in psychological first aid and offers opportunities to lead campus wellness initiatives and community outreach programmes. By fostering open conversations on mental health, the Club enhances mental health literacy, reduces stigma, and cultivates a supportive and inclusive campus environment where every student can thrive.

Kanitamil Peravai (கணித்தமிழ்ப் பேரவை)

The primary objective of the club is to blend the Tamil language with computer technology, fostering digital Tamil knowledge among students. It provides a platform to showcase students' creativity through technology, enabling the seamless integration of Tamil into the global digital arena. Ultimately, it serves as a progressive bridge, empowering students to establish a strong presence for the Tamil language across worldwide digital platforms.

Model United Nations (MUN) Club

The Model United Nations (MUN) Club is an academic and skill-oriented student platform designed to simulate the workings of the United Nations and its Committees. It provides opportunities to engage in structured debates, policy analysis, negotiation, and consensus-building, through offering a space for students from all disciplines to develop skills in diplomacy, research, public speaking, critical thinking, and leadership,

while deepening their understanding of international relations, governance, and policy-making.

Chess Club

The Club provides a strategic platform for students to sharpen their intellect, develop foresight, and cultivate lifelong critical thinking skills. It welcomes both beginners learning the fundamentals of the game and experienced players seeking to refine their endgame strategies, offering an engaging environment to experience the ultimate battle of wits across the 64 squares.

Health Literacy Club

The Health Literacy Club fosters health awareness, preventive healthcare, and community service by integrating experiential learning with outreach initiatives. The club equips students with essential health, communication, and public health skills while fostering social responsibility.

Science Communication Club

The Science Communication Club is an interdisciplinary Part–V initiative that promotes scientific literacy, creativity, and public engagement by empowering students to communicate science through storytelling, multimedia content creation, outreach programmes, and community engagement. The club fosters collaborations between science, media, and society to make scientific knowledge accessible, engaging, and impactful.

Research Club

The Club is a student-led platform that creates a culture of innovation, critical inquiry, and ethical interdisciplinary research. The curriculum includes research ethics workshops, industrial visits, training for scientific writing for indexed journals, student-

led interdisciplinary conferences, and community-focused capstone projects. The club aims to equip students with critical analytical, academic writing, and publication skills, effectively moulding them into self-sufficient creators of knowledge who make meaningful contributions to society.

Student Quality Club

The Club, established by the Internal Quality Assurance Cell at Madras Christian College, actively involves students in quality assurance, documentation, and institutional audits. Through these activities, students develop leadership, communication, environmental awareness, and collaborative skills while contributing to the college's quality enhancement initiatives.

Sports

Physical Education provides a vibrant platform for students to nurture their sporting interests and talents through systematic coaching, regular practice, and competitive participation. The programme promotes physical fitness, discipline, teamwork, leadership, and sportsmanship while encouraging excellence in intercollegiate, university, and national-level competitions. Through these activities, students develop resilience, perseverance, and a spirit of healthy competition, contributing to their holistic growth and well-being.

EXAMINATION

University of Madras Guidelines for completion of UG and PG degree programmes for the batch of students admitted to the course with effect from 2018-2019.

1. A student who, for whatever reason, is not able to complete the programme within the normal period (N) or the Minimum duration prescribed for the programme, may be allowed two years period beyond the normal period to clear the backlog to be qualified for the degree. (Time Span = N + 2 years for the completion of programme).
2. In exceptional cases such as major accidents and child birth, an extension of one year be considered beyond maximum span of time (Time Span = N + 2 + 1 year for the completion of programme).
3. Students qualifying during the extended period shall not be eligible for RANKING.

Internal Continuous Assessment (ICA)

The Internal Continuous Assessment (ICA) and

End of Semester Examination (ESE), each carrying 50% marks, form the basis for grading student performance in each paper. The passing minimum in ESE is 20/50 for UG and 25/50 for PG programmes.

a) ICA Theory

Internal Continuous Assessment tests for theory will be centrally administered by the College through the Examination Office. Three tests will be conducted for each theory paper - two written tests and an assessment of accepted innovative components such as a seminar, term paper, project, assignment, portfolio, power-point presentation, quiz, objective test, etc or a combination of the above, as decided by the course teacher or HoD (The programme of such evaluation will be fixed before the commencement of that semester in consultation with the respective Academic Deans). Each test will carry a maximum of 50 marks and best two out of three will be considered. The Timetable for the ICA tests I and III will be scheduled and notified by the Examination Office in the College Calendar. ICA II based on innovative techniques will span over the entire duration of the semester.

b) ICA Practical

Three tests will be conducted for each practical paper. The Time table will be scheduled by the course teacher or HoD.

Major Guidelines for ICA - IV, ICA Retake, ICA Repeat and Repeat Semester

a) ICA – IV (Theory & Practical)

Re-test is not allowed except for the students who had represented the College in sports or cultural activities on the dates of the scheduled ICA tests or for students with any justifiable reason acceptable to the Principal. The Principal may grant special

permission to such candidates for taking one additional test of three hours duration encompassing the entire syllabus of that paper. This test should be taken before the commencement of the End of Semester Examination of that semester. A record of such assessment procedure will be maintained by the department and is open for clarification by students. Students have the right to appeal to the Principal in case of glaring disparities in valuation.

b) ICA Retake (Theory & Practical)

This regulation is being implemented from the academic year 2026-2027 and extends to all students currently studying I, II & III year UG courses and I & II year PG courses. ICA Retake will be centrally administered by the Examinations Office. Eligibility for ICA retake is as follows:

- No minimum marks in ICA
- The student should not be ABSENT (AB) in ICA for courses.
- Passing minimum in ESE is 20/50 for UG & 25/50 for PG
- Fulfilment of attendance requirements
- No improvement test for ICA Retake

Further, a student

- can attempt only once
- can appear for papers of any semester during the course period
- can appear for a maximum of only six papers in a semester.

c) ICA Repeat (Theory & Practical)

ICA Repeat can be availed by all UG and PG students to improve their marks after the completion of the course for any semester, subject to the following conditions:

- The students must register for ICA Repeat, by contacting the Examinations Office within a month of the commencement of a semester or checking College Website for Notice.
- A student is permitted to appear for a maximum of only ten papers in a semester
- The students should take the tests during the ICA schedule.

Eligibility for ICA Repeat is as follows:

- Marks: No minimum marks in ICA and ESE are required to avail this facility.
- Attendance: The student should not have lack of attendance.

d) Repeat Semester (Theory & Practical)

Students who do not have adequate attendance and those who missed a semester will have to register for Repeat Semester after completion of the course. These students will have to attend classes, compensate for loss of attendance and appear for the ICA along with the regular students. I/III/V Repeat Semester students can apply only during the odd semester and II/IV/VI Repeat Semester students can apply during the even semester.

Students have to contact the Dean of Student Affairs to register for the ICA - IV and Repeat Semester before the commencement of the semester. The ICA - IV and ICA Repeat will be conducted by the respective Departments.

End of Semester Examination (ESE)

a) The academic year is divided into two semesters, the first from June/July to November/December and the second from November/December to April/May. Each semester will have a minimum of 90 working days excluding study holidays

and examination days. Examinations will be conducted in courses of all semesters in Nov/ Dec and April/May every year for all UG and PG courses.

b) The schedule for ESE Practicals will be notified by the Controller of Examinations.

c) A student who fails in one or more courses in any semester will be permitted to reappear for the same at the subsequent End of Semester Examination, subject to the student fulfilling the attendance requirement. A student whose attendance falls short of 50% will be required to repeat that semester by enrolling again at the end of the course. Course work set for each examination will follow the regulations and syllabi in force at the time.

d) To qualify for the UG / PG Degree, supplementary candidates are required to pass in all the courses prescribed for the programme within six/four semesters immediately after the completion of the programme. Beyond that period, the candidates will follow the current syllabus for the examinations. A late fee per year for each course shall be levied.

e) Examination Fees will be levied as per the University rates. A special fee is collected for supplementary papers. Only those students who obtain 'No dues' clearance from the Bursar's Office/Hall/Departments are eligible to obtain the Hall Ticket for the End of Semester Examinations.

Grading System (from 2011 onwards)

1. Passing minimum for UG programme is 40% of marks in the End of Semester Examination and 40% of the total marks in the Internal Continuous

Assessment and End of Semester Examination put together in each course.

2. Passing minimum for PG programme is 50% of the marks in the End of Semester Examination and 50% of the total marks in the Internal Continuous Assessment and End of Semester Examination put together in each course.

3. Minimum credits required:

(i) Three year UG Programme : 142 (from 2023-2024 Batch onwards)

(ii) Two year PG Programme : 100 (from 2008-2009 Batch onwards)

Dr Chandran Devanesen Centre for Human Resource Development

Established in 2004, the Dr Chandran Devanesen Centre for Human Resource Development embodies the founding mission of Madras Christian College to foster the all-round development of young men and women—equipping them with knowledge and humanistic values to make a meaningful difference in the wider world.

In alignment with MCC's vision of nurturing integrated personhood, the Centre was created to implement the Personality Development (PD) programme as a core component of the UG curriculum. Since its inception, the PD course has been offered to both aided and self-financed stream students across two semesters, benefitting over 1100 students annually. The Centre also offers a Soft Skill (Personality Enrichment & Coping Skill) programme for PG students, aiming to enhance their professional readiness and interpersonal competence as they transition into advanced careers or research pathways.

UNITS OF THE COLLEGE

Internal Quality Assurance Cell (IQAC)

In congruence with the vision of IQAC constituted by NAAC to ensure quality culture in Higher Educational Institutions, the IQAC at Madras Christian College initiated in the year 2004 – 2005, strives to realize Academic excellence, one of the prime aspects of the mission of the College. The IQAC at MCC aims to be "an advocate of value-driven and technology-driven practices in administrative and academic processes, leading to transformation of work culture and excellence".

The prime objectives of IQAC are:

to create a system for Quality assurance through standardized procedures, protocols and practices.

To ensure seamless and smooth adaptation / transition into the system, through collective endeavours of all the stakeholders of the College.

The foundational principle of IQAC is to propel the College towards quality enhancement in

academic sphere in addition to Research and Student-related activities with futuristic vision, leading to progressive excellence among peers, high reputation and ranking in the society and by the statutory bodies.

Institute for Administrative Services Coaching (IASC)

Started in February 2012, the Institute for Administrative Services Coaching (IASC) is training students to prepare for UPSC, TNPSC and UGC/CSIR examinations. As a part of UGC 12th plan merged scheme, students belonging to SC/ST/OBC and minority communities are given free coaching classes. Members of various faculties and experts from respective fields train the registered students, to enrich their skills in group discussion, debate, interviews etc. Online classes are also conducted through Google Classroom through the Email ID: iasc@mcc.edu.in

Non-Resident Women Students Forum (NRWSF)

The Non-Resident Women Students Forum (NRWSF) provides an avenue for the non-resident women students to feel at home through amenities, activities and able guidance. The NRWSF also organizes frequent events related to gender sensitization and is a platform to address the specific needs of women students. Cultural programmes such as the International Women's Day brings the College community in solidarity to celebrate differences and promote peace. The MacNicol Lounge with modern facilities acts as a centre of convergence for women students.

Centre for Women's Studies (CWS)

The Centre for Women's Studies was started in 1987 with the three main objectives of Academic excellence through Awareness Generation regarding

women's issues, human rights and gender issues; Social Advocacy of women's empowerment through its self- sustaining units and Outreach programmes which help the larger community. The programmes of the CWS are directed towards achieving these objectives. Through its activities the CWS has been involved in orienting, sensitizing and empowering both the faculty and students towards gender sensitization and gender mainstreaming. Talks and Webinar sessions are held regularly to create an awareness generation on women's empowerment and gender equity. Capacity building workshops are held to hone the various skill sets of the students and the college community. The Tailoring Unit, "Thread and Tread" and the Photocopying Unit "Impressions", are self-sustaining units which aim to provide employment opportunities to women. Manna Scheme, a free meal scheme for the needy and economically weak students of our college for the last one decade, is a successful and popular initiative of the CWS.

MCC Entrepreneurship Development Cell (MCC-EDC)

Entrepreneurship Development Cell of Madras Christian College was initiated during September

2020 to help young innovators to become a quintessential part of the entrepreneurship ecosystem development. The initiative comes at the right time as there is a spur in the development of innovative ecosystem, and when 2010-20 is declared as 'India's Decade of Innovation'.

The objectives of EDC are to:

- provide space for the MCC student community to discuss their ideas, metamorphose them into innovative proposals, generate IP, and finally execute their business plans through incubation,
- to offer training and mentoring for the students to help hone their entrepreneurship skills.

Thus the EDC strives to provide a conducive innovation and entrepreneurship/start-up ecosystem for the vibrant student community of Madras Christian College. As an initial measure, the EDC of MCC has been registered with TN-EDII, IEDP HUB, CED Anna University, since September 2020. Furthermore, in line with the aforementioned objectives, the EDC has formed the MCC ideation club during October 2020 to foster innovation among students. To encourage and reward the young student innovators, MCC Innovation Contest has also been initiated from the year 2021.

MCC Institution's Innovation Council (MCC-IIC)

Madras Christian College has established the Institution's Innovation Council (MCC-IIC) as per the norms of the Ministry of Education's Innovation Cell (MIC), Government of India during the calendar year 2020-2021. MCC - IIC focuses on creating a vibrant local innovation ecosystem along with promoting start-up / entrepreneurship supporting mechanism at the campus for the staff

and students. The main functions of MCC- IIC are -

- To motivate, inspire and nurture students and staff by supporting them to work with new ideas, problem statements and transform them into innovative and entrepreneurship related endeavours.
- To support young innovators to work with new ideas and convert them to prototypes and facilitate patenting and start-up ventures.
- To conduct periodic discussions / workshops / seminars / and arrange interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

All activities and events will be administered by a team of faculty members, external council members, financial advisors and industrial experts as per the guidelines of MIC.

COMMUNITY ENGAGEMENT UNITS

MCC Pulicat Estuarine Biological Research Centre (MCC-PEBRC)

With encouragement from the then Principal and financial support from the UGC, the MCC-PEBRC was founded in 1968. Regular field study tours for Zoology students are conducted to study the Pulicat Lake ecosystem and its biodiversity. Research on them has resulted in nearly twenty Ph.D. theses, publication of three books, and several journal and conference papers.

This field laboratory and its dormitory managed by the Department of Zoology, amidst the scenic beauties of the Pulicat Lake is utilized by all departments of our college for interdisciplinary

studies relevant to that locale and its fisherfolk, in collaboration with the Department of Zoology.

With the funding from the United Board, a dormitory and other relevant facilities were added in 2009.

MCC Farm

The MCC Farm that had its inception in the 1960s in an informal way, has developed into a dynamic resource centre today for various agriculture and animal husbandry related work. Primarily conceptualized to be a platform meant to initiate students to real-time learning with hands-on training, this unit has been a highly impactful catalyst to the farming community in and around neighbouring villages. Students from the Departments of Botany, Chemistry, Commerce, Communication, Computer Science, Economics, Geography, History Journalism, Languages, Microbiology, Physics, Social Work, Statistics, Tourism and Zoology have benefited by contributing to the farm-based research and surveys.

A perfectly laid out agriculture field with appropriate fencing, the Farm also hosts a Community Centre, Composting Area, Farm Office, Orchard, Piggery, Poultry, 500kVA Solar Power Plant along with a 375,000 litre capacity Sewage Treatment Plant. Of the thirty acres with effective fencing earmarked as farm area, the neatly laid out road, along with the built-up facilities that include the office space occupies around 2.5 acres.

About 19 acres have been allotted for orchards that currently include amla, banana, coconut, guava, mango and sapota. The solar power plant that can cater to 50% of the entire power needs of the institute and the Sewage Treatment Plant that

recycles all the grey water from campus on a daily basis occupies about five acres. Of the remaining 4.5 acres, the pond and the park occupy 1.5 acres, while the rest of the place is utilized for growing seasonal crops. The resultant yield / produce is subsequently sold to staff and neighbouring customers. The staff and students of MCC have always been encouraged to conduct their projects at the MCC Farm. The concept of 'Earn While You Learn' has also been integrated into the system. In addition, a drive has been initiated in order to make the MCC Farm as a Volunteering Centre and Student Internship Centre, in order to add value to campus produce/ commodities.

MCC Rural Service League School

MCC Rural Service League School was started in 1948. Free education is offered to needy students. Co-curricular activities such as, Scout and Guides, Junior Red Cross, Green Corps Movement are offered and extra-curricular activities like, Exhibitions, Educational Tours and inter-house competitions are organized to benefit the students.

MCC Family Life Institute

MCC Family Life Institute is a unit of Madras Christian College located at Mappedu, Chengalpet district. Since 1960s, through the Jonathan Callaghan Memorial Centre of MCC, the students of MCC have been involving in rural housing, planning roads and community wells in Mappedu. In 1971, the Jonathan Callaghan Memorial Centre of MCC was named as Madras Christian College Family Life Institute and has been providing maternal and child health services to rural women in and around Mappedu village. The infrastructure for providing health services was constructed and completed

in 1973. The MCC FLI was registered as a Clinic under the Tamil Nadu Clinical Establishment Act in January 2021. The activities include allopathic health services through a residential staff nurse, weekly consultation service from a medical practitioner, skill development training for women through certificate courses in tailoring, periodical medical camps to address specific needs of the beneficiaries, awareness generation programs on health, hygiene, women and child issues, support for entrepreneurship activities in the form of equipment or initial investments, family counselling and training of social work and NSS students.

MCC Community College

As a part of the Quartoseptcentennial celebrations of the College, a Community College was established in 2013 in West Tambaram. The Community College is an alternative system of education, which aims at the empowerment of the disadvantaged and the underprivileged through appropriate skill development leading to employment, in collaboration with the local industry and the community. The Community College promotes life-skill education and self-employment. At present two Diploma Courses viz., Computer Hardware Service and Nursing Health Assistant are offered.

MCC Pulicat Community College

Pulicat is a small village adjoining the second largest brackish water lake in India, the Pulicat Lake. There are about 55 villages around the lake involved directly or indirectly on the lake. The Department of Zoology, Madras Christian College, has an 'off-campus' laboratory, the Estuarine Biological Laboratory at Pulicat since 1968. There has been a cordial relationship between MCC and

the people of Pulicat. Considering the significant number of students who got admitted to MCC for pursuing their studies in various disciplines, and a few doing Ph.D. program at MCC, the college decided to establish a community college for them at the Estuarine Biological Laboratory, providing job-oriented courses.

MCC-PCC was established to empower the people of Pulicat to be employable in various sectors in addition to be trained to have an additional income through a few vocational courses that would mould them to be entrepreneurs. A Diploma in Health Care is offered.

MCC Kotagiri Community College

MCC launched its second Community College in 2018 in a locale surrounded by lush greens tea garden with a bungalow at Northern Hay, Kotagiri. It has adequate infrastructure for the Community College which offers courses viz., Diploma in Health Care, Diploma in Hospitality & Retail Marketing, and coaching classes for a few competitive examinations to benefit the local community and tribal students.

ALUMNI ENGAGEMENT

MCC Alumni Association

The MCC Alumni Association, formerly known as "Christian College Day Association" was founded in 1891 and is the oldest of its kind in India. In December 1963, the Association implemented a new constitution and changed its name to "Alumni Association" with the stated objectives of the development of the College and fostering of cultural and social interests of the alumni through meetings and publications.

The Alumni and Public Relations Office was set up in 1962 and it oversees the activities of the Association. Over the years, the Association has supported many noble causes in the College including the construction of the Devanesen Memorial theatre, the Miller Memorial Library, the International Guest House, the C. A. Abraham Pavilion and the compound wall. Today, the association has 22 chapters in India and 11 chapters in other parts of the world.

When a student leaves the College at the end of the course, he/she automatically becomes an annual member of the Association. One can then choose to become a permanent member, along with a long list of outstanding alumni, such as Dr S. Radhakrishnan, Dr A.L. Mudaliar, Dr Raja Ramanna, Mr T.T. Krishamachari, Mr Eric Prabhakar, Mr M.M. Rajendran, Mr T.N. Seshan, Mr Mammen Mappillai, Mr Suresh Krishna, Mr C.D. Gopinath, Dr Pratap C. Reddy, Mr K. Vijay Kumar, Mr E.L. Philip, Justice P.D. Dinakaran, Justice A.K. Rajan, General Sundarji, Ms Shanta Sheela Nair, Ms Sheila Priya, Ms C.S. Lakshmi (Ambai), Ms Indra Nooyi, Ms Chandrika Tandon, Mr Prakash Karat, Mrs Leela Ponappa, Prof. C.T. Kurien to name a few. Life membership or Donor membership supports several alumni programmes and provides life-time contact with the Alma mater.

The MCC Alumni Association organised a historic "Global Alumni Reunion" on the 27th and 28th of July 2013. Around 1,500 alumni from across the globe witnessed this great event. Many distinguished alumni from various walks of life enriched this event with their presence.

The MCC Alumni Association also celebrated its

125 years of existence through a mega event on August 6 and 7, 2016.

MCC BOYD–TANDON SCHOOL OF BUSINESS

Founded by Rev. John Anderson, a Scottish missionary 189 Years ago, Madras Christian College has been tirelessly serving God while contributing richly in shaping minds towards Nation building. Being responsive to changing times MCC Boyd-Tandon School of Business was set up in 2016. The two pillars of the MCC Boyd-Tandon School of Business are Dr Alexander John Boyd, the Prince of Principals (1938-56), and the world-renowned philanthropist & educator Ms. Chandrika Krishnamurthy Tandon who is also an MCC alumna (B.Com. 1970-'73). Hence the school is christened MCC Boyd-Tandon School of Business.

The Foundation Stone was laid on 16 December 2019 and the building construction is in rapid progress.The Business School is engaged with the industry and business world networking with the corporates to poise Management Education as the learning experience springing from and leading to industrial situations and global trends.

While preparing to set up a world-class Business School with its flagship AICTE approved programme of PGDM, it offers Professional Diplomas and Certificates to upskill youth with the prevalent trend in the corporate world such as Business Analytics, Digital Marketing, Corporate Social Responsibility, etc.
