

**Ennackal Chandy George Sudarshan**  
University of Texas at Austin.

ECG graduated in physics honours from  
MCC in 1951  
and was on the faculty for a year.  
St.Thomas's Hall resident.

He left to TIFR and what had followed is the chronicled  
history of one of the greatest scientists from MCC.

\*The Dirac Medal of ICTP is awarded by the Abdus Salam International Centre for Theoretical Physics (ICTP) on renowned physicist P.A.M DIRAC's birthday, August 8

---

An entire volume : **196[1],2009** in the Conference series of the Journal of Physics, published by the Institute of Physics, London had been devoted to honouring ECG's contributions to Physics entitled:

*Sudarshan : Seven Science Quests*

\*A copy of the Commemorative Journal is available with the Department of Physics for viewing and .pdf e-copies of all the papers from that issue are also available.

---

**The Department of Physics, Madras Christian College**  
is proud to share this information about our distinguished alumnus  
with our sincere and the best of wishes that **ECG** gets the

**NOBEL PRIZE**

-nominated 6 times, recently in 2005.
