Campus Recruitment

Madras Christian College has always been one of the most preferred sources for campus recruitment for Corporates and other recruiters, both Indian and Overseas. It is a matter of pride that the Alumni of Madras Christian College are now business heads, and even global leaders. Ms Indra Nooyi, the Chairperson of the PepsiCo World is a prime example of the leadership qualities that MCC always guaranteed.

Globalization opened up job market like never before, and the demand for graduates and Postgraduates from Arts & Science Colleges, is increasing day by day. Some of the corporate houses are looking for mass recruitments for their facilities all over the world. There is no shortage of jobs in the present scenario, although there is a clear shortage of qualified employable candidates from the colleges.

Generally, campus interviews start in the month of September and go upto early March each year. Selection process starts in the morning and ends by the evening with the offer letters being issued to selected candidates.
