

The College runs a Book Bank for the benefit of poor students. Standard text books and other reference books which the poor students cannot afford to buy for themselves will be made available to them in the Book Bank. Poor students are invited to make good use of them.

Books lent under this scheme must be returned not later than fifteen days before the commencement of the University Examinations for the class concerned. Those who lose the books lent or return them damaged will have to pay the cost of the books. The lending of books will be subject to the availability of copies and no student can borrow more than two books at a time.
