CALENDAR
2018 - 2019

The emblem of the College is a graphic representation of the philosophy of the College.

The upper part of the anchor takes the form of a Cross. The hand at the top of the College emblem has three fingers raised in blessing. The anchor symbolizes firmness at times of storm.

The Latin motto, *'In hoc signo'*, is traced to an important event in the life of Constantine the Great (AD 274 - 337), the first Christian emperor of Rome. Before an important battle, he saw a Cross shining in the sky and these words: "*in hoc signo vinces...* with this on your banner, you will win!"

PRAYER FOR THE COLLEGE

O Thou, who in days past didst put it into the hearts of good men to found this College; for the imparting of sound learning, the building of character and the spread of spiritual truth and knowledge of Thyself. Bless our College and Schools; may love, unity and brotherhood be learnt here; may industry, uprightness and courage grow here; and from this place may there be sent forth continually a stream of men and women who shall serve Thee faithfully in Thy world.

Amen.

PRAYER FOR THE ALUMNI

O God, of whose gift alone it cometh that Thy faithful people do unto Thee true and faithful service. We pray Thee to follow with Thy blessing those students who have gone out from amongst us to serve in the wider arena of life outside these College walls. Strengthen them to meet victoriously all temptations, enable them for the faithful performance of their life-work and may they ever without fear of man follow steadfastly where duty, right and honour lead.

Amen.

A BRIEF HISTORY OF MADRAS CHRISTIAN COLLEGE

Madras Christian College traces its origin to the General Assembly School founded by the Rev. John Anderson, a Missionary from the Church of Scotland on 3rd April 1837. Anderson was a pioneer in introducing English medium education in South India. He was ably assisted by Rev. Johnston, Rev. Braidwood and Margaret Locher Anderson. Rev. William Miller who arrived in 1862 upgraded the school to a college by adding F.A. and B.A., courses in 1865 and 1867. Along with a few other protestant missions in Madras, Miller transformed the institution and named it 'Madras Christian College' on 1st January 1877. Miller's bold academic vision, supported by the generous contribution from his family members, old students and the Madras Government raised the most impressive array of college buildings and hostels (student homes) opposite the High Court complex. Miller was succeeded by worthy leaders like Professors Skinner, E.M. Macphail, Meston and Hogg.

The rapid expansion of the College and the congested physical space necessitated the shifting of the college from George Town to the 400 acre sylvan Selaiyur forest in Tambaram. The 'great migration' took place on 30th January 1937 with a thanksgiving service in which the Governor Lord Erskine participated. Professor Edward Barnes and his wife Alice Barnes, who lived on the campus since 1932, painstakingly shaped and nurtured the campus, by planting hundreds of rare plants, and

carving out dusty roads. Swiss Architect Henry Schaetti designed the majestic main buildings. The College hosted the famous International Missionary Conference in 1938. Women students were admitted from 1939.

Dr. Alexander Boyd, who was the Principal for 18 long years (1938-'56) further shaped the character and ethos of the College. He was ably assisted by a host of European and Indian faculty.

Professor J.R. Macphail was the last of the Scottish Principals to have served the college between 1956 and 1962.

A new era dawned in 1962 (125th Year of MCC), when Dr. Chandran Devanesen took over as the first Indian Principal, who further enriched the academic stature of the College and broadened the scope of educational process by taking it to the neighbourhood. Dr. Devanesen's successors have each contributed in their own way to the growth and development of the Institution.

The year 1978 was path-breaking as MCC became one of the earliest colleges to be granted the status of **Autonomy**. This status enabled the college to introduce new courses, innovative curricular changes in tune with changing times and examination reforms with focus on learner-centered continuous assessments. Autonomy also enabled the College to introduce diploma and certificate courses through the School of Continuing Education. The College also introduced vocational degree programmes in the Departments of History, Zoology and Commerce in 1994.

The **Self - Financed Stream** was started in 1999. Degree programmes of contemporary relevance and employability are offered in the Self - Financed Stream. The College now has thirty two departments under both the Aided and Self - Financed Streams offering Undergraduate, Postgraduate and Research programmes (M.Phil. & Ph.D.).

The **Choice Based Credit System (CBCS)** was introduced in 2003 – 2004 enabling the College to provide more choice for the students, especially inter – disciplinary options and rationalized the workload of each paper in tune with the credits awarded.

The Halls of residence for men - Selaiyur, St. Thomas's and Heber and the Martin, Margaret and Barnes for women, contribute to the rich diversity and hustle-bustle of the campus life. The sprawling sports fields as well as the cultural ambience of the college provide impetus towards students' personality and their all-round development.

All key milestones in the history of the college were befittingly celebrated. The 50th year i.e. 1887 witnessed the birth of Philosophy and History Unions, besides the Tamil and Telugu Associations. The centenary of the College celebrated in 1937 was marked with the relocation of the college to the Tambaram campus. In 1962 (125th Year) Dr. S. Radhakrishnan, our distinguished alumnus, visited the college and the MCC school in his capacity as the Vice-President and the President of India. The 150th year was commemorated in 1987, with the Prime Minister Shri Rajiv Gandhi participating in the main function and declaring open the Miller

Memorial Library. Dr. A.P.J. Abdul Kalam, the thrn President of India lent his gracious presence at the 170th year celebrations in 2007 and inaugurated the Centre for International Social Work.

The Quartoseptcentennial (175th) was celebrated in the year 2012. Shri. Mohammad Hamid Ansari, Vice President of India Prof. P.J. Kurien, Deputy Chairman of Rajya Sabha and Dr. K. Rosaiah, Governor of Tamilnadu graced the occasion. “Celebrating History and Serving Humanity” was the theme of the Quartoseptcentennial year. 100 KVA Solar Power Plant, Commerce Block and IGH Extension wing marked the 175th year celebrations. In the year 2013, the College was reaccredited by NAAC with **A Grade** (Highest Grade). In 2016 the College was awarded the status of ‘College with Potential for Excellence’. In the year 2018 the College was ranked 10th in India by the National Institutional Ranking Framework (NIRF).

Madras Christian College established the ‘MCC Boyd Business School’ in 2016, which aims to offer world class business education.

The college is first among the Arts and Science colleges in the state of Tamil Nadu in meeting the Solar Purchase obligation, as it generates 50% of its power needs through solar energy generation by the 500 kWp Solar Power Plant dedicated in 2018.

Academic excellence, spiritual vitality and social relevance have remained the guiding principles of the Institution down the decades.

COURSE STRUCTURE

Choice Based Credit System (CBCS)

In the twenty - sixth year of autonomy (2003 - 2004), a significant achievement in the curriculum was the introduction of the Choice Based Credit System (CBCS) at the Postgraduate level in the Day Stream and at the Undergraduate and Postgraduate levels in the Self-Financed Stream. The CBCS was extended to the Undergraduate level of the Day Stream from the academic year 2004 - 2005. This venture has strengthened the academic potential of the students as it provides flexibility in the choice of courses beyond the framework of the discipline of study. The introduction of the CBCS ensures compatibility with the academic norms practiced in similar institutions in India and abroad. The Government of Tamil Nadu proposed a common structure under CBCS to be implemented by Government, Government Aided and Self-Financed Colleges across Tamil Nadu from the academic year 2008 - 2009.

CBCS at the Undergraduate Level

The structure of undergraduate courses under the CBCS in the semester pattern provides a wide range of courses for students to choose, based on their aptitude and career goals. The undergraduate curriculum includes the following categories of courses in order to accomplish a holistic approach to undergraduate education. The 3 year - 6 semester curriculum has the following components:

Part I – **Tamil or any other language** (German, French, Hindi, Sanskrit, Kannada, Telugu or Malayalam) is offered in the first four semesters except for B.Com. where it is offered in the first two semesters only.

Part II – **English** is offered in the first four semesters except for B.Com. where it is offered in the first two semesters only.

Part III – **Major papers** (including practical and project work) and **Allied papers** are offered by each of the academic departments with a number of innovative and popular courses. Allied courses are aimed at facilitating desired complementarity with the major courses of study. The compulsory allied courses are decided by the department. The optional allied courses are chosen by students from a list of three allied subjects specified by departments.

Part IV – **Non-major courses** listed below are offered under this category, during the first two semesters only.

- (a.1) **Basic Tamil (BT)** - Those who have not studied Tamil up to XII standard and have taken a non - Tamil Language under Part I shall take Basic Tamil.
- (a.2) **Advanced Tamil (AT)** – Those who have studied Tamil up to XII standard and have taken a non-Tamil language under Part I shall take Advanced Tamil.
- (a.3) **General Course (GC)** – Students who do not come under (a.1) or (a.2) shall opt for General Course. General Course encompasses topics of introduction to each major discipline. Students may choose to study any one other than those offered by their Department.

- (b) **Skill-Based Courses** – Personality Development (PD), Inter-disciplinary (ID), General Elective (GE) and Computer training programmes are offered in 3rd, 4th and 5th semesters. An Inter-disciplinary elective and a General elective are offered by each department to impart skill - based learning experience, thus providing an opportunity to gain knowledge in an application - oriented subject.
- (c) **Environmental Studies** – This course offered in the second year is intended to motivate students to develop a positive attitude towards the environmental concerns of society.
- (d) **Value Education** – This is a value-oriented, interdisciplinary compulsory programme, which is a part of the Foundation Course offered to all I year Undergraduate students.

The Programme is divided into :

(i) Social Ethics - For all I UG students in Semester I.

(ii-a) Christian Studies - For all I UG Christian Students which is also open to others in Semester II.

(or)

(ii-b) Social studies or Gender studies for all other I UG students in Semester II.

(Time Span = N + 2 years for the completion of programme).

Internal Continuous Assessment (ICA)

The Internal Continuous Assessment (ICA) and End of Semester Examination (ESE), each carrying 50% marks, form the basis for grading student performance in each paper. The passing minimum in ESE is 20 / 50 for UG and 25 / 50 for PG programmes.

a) ICA Theory

Internal Continuous Assessment tests for theory will be centrally administered by the College through the COE. Three tests will be conducted for each theory paper - two written tests and an assessment of accepted innovative components such as a seminar, term paper, project, assignment, portfolio, power-point presentation, quiz, objective test, etc or a combination of the above, as decided by the course teacher or HOD (The programme of such evaluation will be fixed before the commencement of that semester in consultation with the respective Academic Deans). Each test will carry a maximum of 50 marks and the lowest of the three tests will be ignored. The Time table for the ICA tests I and II will be scheduled and notified by the Examination Office in the College Calendar. ICA III based on innovative techniques will span over the entire duration of the semester.

b) ICA Practical

Two tests will be conducted for each practical paper.

The Time Table will be scheduled by the course teacher or HOD.

Retest is not allowed except for the students who represented the college in sports or cultural activities on the dates of the scheduled ICA tests or for students with any justifiable reason acceptable to the Principal. The Principal may grant special permission to such candidates for taking one additional test of three hours duration encompassing the entire syllabus of that paper. This test should be taken before the commencement of the End of Semester Examination of that semester. A record of such assessment procedure will be maintained by the department and is open for clarification by students. Students have the right to appeal to the Principal in case of glaring disparities in valuation.
