1.4 Feedback System

1.4.1 Whether structured feedback received from all the stakeholders.

1. Students	2. Teachers	3. Employers	4. Alumni	5. Parents
Yes/ No	Yes/No	Yes/No	Yes/ No	Yes/No

1.4.2 How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

The IQAC organizes and collects feedback from the graduates every year when they come back to the college during for their graduation. This strategic collection of feedback after a year of the students completing the course is unique in that feedback provided by the students will be unbiased. Students are asked to rate on a four point scale the department and the extent of course coverage in their degree programmes. The feedback also includes questions on values imbibed (in terms of knowledge, concepts, analytical abilities and broad perspectives, clarity and relevance of textual material, library sources) and extent of effort required by students. Any serious issue expressed in the feedback is brought to the knowledge of college authorities and in turn addressed to the Heads of the Departments.

Secondly, the IQAC circulates questionnaires to students of all academic departments every year to assess the teaching and learning process. These questionnaires are based on student satisfaction survey on teaching-learning process as recommended in NAAC criterion. The questions include syllabus coverage by teachers, teaching ability and communication skill. There are questions pertaining to assessment procedure and teachers' mentoring role to identify the strengths and weaknesses of students. The questions include how best the teaching methods are student-centric and innovative. Students are also asked to give their feedback on how best soft skill, life skill and employability skills are nurtured in the institution. Overall teaching quality and effectiveness in usage of ICT in classrooms are expected to be indicated by students. Students provide a descriptive feedback on observations made by them to improve overall teaching-learning experience in the institution. The feedback is done through Google Forms sent online.

Another method of evaluating performance is the examination results (pass percentage) of students to assess the courses handled by faculty members. The higher pass percentage reveals a higher quality of teaching-learning process in the institution.

2.3.2 Students monitoring system available in the institution? Give details (maximum 500 words)

The college endorses the functioning of mentoring system in every academic department. Students in the first year of undergraduate and post graduate courses are allocated to the faculty of respective departments as in order to facilitate guidance and counselling which seeks to enhance their personal growth. As of SFS, the mentor-mentee ratio of the institution is 21:1. The initiative helps build a student-centric environment which looks into not only the academic accomplishments of the students, but also their personal life. Every faculty member is expected to assess the progress of their students through periodic meetings. It also serves as a platform to gather information on the grievances of students both at the personal and academic levels. Moreover, it reemphasizes the importance of student-teacher relationship with a cosmopolitan character by transcending the barriers of age, sex, religion, culture, nationality and so forth. The system also enables a better coordination between the faculty and the parents/guardians of the students in their overall development. The system also enables a better coordination between the faculty and the parents/guardians of the students in their overall development. When complaints received by the Principal or the Dean of Students Affairs, suitable measures are taken with the ward, parent, etc., to assess the ward's performance and suggest measures for improvement.

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

The College's 320 acre campus with a vast infrastructure, installations and equipment is maintained by the Estate office. The Estate office has policies to carry out both preventive and post maintenance activities. Regular preventive maintenance is carried out through AMCs, and periodic checks of electrical, water installations, equipment, sewage and garbage disposal. Emergencies are attended to ensure the campus life is normal. Normally departments, units, halls, residential staff and students register their maintenance requirement with the Estate office who in turn, attend to all such requirements /grievances regularly. The Estate office functions through the Estate Manager who reports to the Bursar. The Estate Manager is assisted by

- Electrical Supervisors
- Three Civil supervisors
- Two Electricians
- One Carpenter
- One Plumber
- 2 Clerical assistants
- Sanitary workers
- Campus workers, Sweepers and Gardeners
- Maintenance of rest rooms and cleaning of classrooms and common areas is outsourced. The outsourced housekeeping is carried out by trained personnel.

Science laboratories:

Laboratories, classrooms and the library are functional from 8 am to 6.15 pm on all working days. There are adequate laboratory assistants for the Science Departments having labs of Physics, Chemistry, Botany, Zoology and computer laboratories who take care of the maintenance of labs and equipment placed in the labs.

Air conditioners, computers and network facilities are maintained either by annual maintenance contract (AMC) or serviced by agencies/manufacturers as and when need arises. The stock in the labs is verified for the available equipment and damaged ones are discarded. Maintenance of Electrical and Electronic Equipment is checked regularly at the end of every semester. Breakage register is maintained in the laboratories.

Library:

The Librarian looks after the maintenance of the library books, journals, periodicals, furniture, electronic equipment, computers and software. He coordinates with the Estate Manager and System Administrator to ensure regular maintenance is done. Weeding of books is done on a regular basis in the general library. Pest Management measures are regularly carried out in the library and in other buildings. Since the Library operates RFID, Inventory Management is made easy through this technology and software.

Sports Complex:

State of the art sports Indore Stadium partly funded by UGC was built on campus. The stadium provides one full size basketball court, four shuttle badminton courts and one volley ball court. The stadium is well ventilated and paved with imported wooden floor. The stadium is ideal for conducting both National and International level competitions.

Power generation and energy conservation:

All buildings are connected through a 1000 kVA transformer and two 250 kVA generators to provide uninterrupted power supply. Two solar power plants with total capacity of 600 kWp generate 90,000 units of electricity every month. All power/electrical installations are under AMC for proper maintenance.

Water supply:

There are nine Reverse Osmosis (RO) water dispensers supplying high quality drinking water. The RO Plants are cleaned and maintained on a regular basis. There are two large overhead tanks and eight open wells and six bore wells in the campus providing water and these are maintained systematically.

Sewage Treatment Plant:

The College maintains an effective sewage treatment plant where the waste is segregated and water is used in irrigating the farm.

Medical facilities

- A Medical Officer and a Resident Nurse with a clinic on campus.
- College has a dynamic network with local hospitals which provide ambulance facilities in case of emergency.
- Campus Clinic to treat outpatients on the campus in the main block.

Rain Water Harvesting:

- Rain Water Harvesting is implemented throughout the campus as 66 Rain water harvesting wells have been installed. These wells harvest 1.03 crore Litres of rain water which is 1/3rd of water consumption in the college campus.

Parking Facilities:

Adequate Parking facilities are available for students, staff, residents and visitors.

Security:

The college Security operation is outsourced and 40 security guards supervised by 2 Assistant Security Officers provide security throughout the College Campus round the clock. The Security operations are managed by the Security Liaison officer. CCTV is installed in the main entrance and in the Library.

Students' Centre:

A large modern Students' Centre has just replaced the erstwhile two cafeterias that were functional on campus. The new one has provision for two caterers with two exclusive Kitchens and related establishments, to provide catering services with a variety of food items, serving students from all states of India and abroad. A large dining area combined with 'Open to Sky' spaces, wash area and exclusive zone for the Teaching staff are added features of this green building. Kitchen and serving staff in the Students' Centre are provided with common rooms and rest rooms.

The College Union Society is headed by the Principal as its President, assisted by two members of staff appointed by the Senatus of the College, one as Vice-president and the other as Staff Advisor to

guide and support the College Union Society. The student office bearers consist of the Student Chairman and Student Secretary who are the formal representatives of the College Union Society along with six Convenors who undertake the responsibility of the various activities in College.

The College Union Council consists of the President, the Vice President, the Staff Advisor, and the elected College Union Society Student Chairman, Student Secretary and Student Conveners.

The Students' Council consists of Elected Representatives from the Academic Department (Excluding the Departments that do not offer regular UG/PG Courses) of the College. The Chairman and Secretary of the College Union Society are elected by the entire student body of the College from among the Elected Representatives from the Academic Departments.

Brief and Functions of the students Council:

- 1) The Students' Council may discuss any matter pertaining to the welfare of the students.
- 2) The Students' Council may consider any matter referred to it by the President and the Student Conveners.
- 3) The Students' Council may make recommendations to the Associations, Societies and any other Units/Organizations, recognized by the College. The Students' Council may make recommendations directly to the President.
- 4) The College Union Cabinet shall meet periodically, but shall meet at least once a month.

College Auditions: Being the very first event hosted in the Madras Christian College, the College Auditions seeks to identify various talents and abilities of students in the college through a series of enjoyable yet tough competitions focusing on cultural as well as literary and debating events. It is an opportunity for all those students to showcase their talents, whether it is on stage or off stage.

Aurora: Aurora is a one day inter-hall, inter-departmental cultural event organised exclusively for the women students of Madras Christian College since 2014. It aims to serve as a platform for girls to portray their unique talents and abilities both on as off stage.

Theatre Night :Theatre night is a two day extravagant display of drama and theatre in the Madras Christian College, conducted by a group of uniquely talented artists on and off the stage, which aims at promoting the art of theatre, giving each individual the space to grow and learn in the course of its preparation for a career in theater.

Deepwoods: An inter-collegiate festival conducted in the Madras Christian College every year since 1980. The three day event attracts participants from various colleges across Chennai and other parts of India. Deepwoods offers an array of exciting events ranging from music to dance, debates and arts. Some of the highlights of the fest include an Electronic Dance Music (EDM) night fuelled by the energy of a diverse crowd, a Rock show headlined by India's leading bands, and a light music performance bringing with it an evening of euphonious melodies.

Sports :There are various sports related events both big and small throughout the year conducted in college, out of which the highlights prove to be the Esau Danis Memorial Foot Ball Cup hosted annually as an inter-collegiate foot Ball tournament and the ever so challenging A.L. Mudaliar Meet.

5.3 Alumni Engagement

5.3.1 Whether the institution has registered Alumni Association? Yes/No, if yes give details (maximum 500 words): Yes

The Madras Christian College Alumni Association, one of the oldest in India, was formed in 1891 with the objective of fostering long term relationships among the alumni in institutional building. It is a very active and highly successful alumni association playing a Major role in the development of MCC.

The Practice:

The MCC Alumni Association has chapters all over the Country and in many major cities across the Globe. The chapters play an active role in being a bridge between the local MCC alumni communities across the Globe and the parent institution. They periodically organise meetings and get-togethers.

The Central unit of the MCC Alumni Association organises many programs and events throughout the year. The Alumni Association is involved in conducting the Christmas carol concert every year in December. The Executive committee of MCC Alumni Association meets to transact business concerning alumni of the College and also developmental works of their almmaters. Over the years the association has supported many noble causes of the college. Alumni are involved in the Board of Directors and Board of Studies.

The College itself has a dedicated Alumni and Public Relations Office headed by an Alumni and Public Relations Officer. Academic Departments of the College, and the Halls of residence, also conduct periodical alumni reunions. The College has initiated a unique program named “Distinguished Alumni Series” to honour and felicitate alumni who have significantly distinguished themselves in their field. many of the alumni of our college are today in good positions in Government and top organizations in the Country and abroad. Some of them come forward on a regular basis to meet the students andj offer career counselling and advice. The alumni are invited for lectures by various Departments to give students a picture of the industry and latest developments in their field.

Evidence of success:

Around 1500 Alumni from across the globe, from various streams of life came together in July 2013 for an historic event called “Global Alumni Reunion”. This Reunion was again held in 2016, to commemorate the 125th year of the Association, where almost 2000 alumni participated and relived their student lives here on campus. The Alumni of the college have also contributed to the development of Infrastructure on the campus. In 2016, the Physics and Chemistry laboratories were renovated with sponsorship from our alumnae Ms. Indra Nooyi, CEO of Pepsico, of the B.Sc. Chemistry 1974 Batch. Ms. Indra Nooyi also funded the renovation and modernization at MacNicol lounge for women faculty and students. Ms. Chandrika Tandon, an alumnae of the College has set up a corpus fund (Rs. 6.00 Crores) for establishment of MCC Boyd Business School. Dr. K.Raman, an alumnus contributed Rs. 35,00,000 to equip the MCC Community College. The family of Late Eric Prabhakar, an Olympian donated Rs. 25,00,000 towards corpus for scholarship. Shri Suresh Krishna, Chairman, TVS Sudaram Fastness Ltd., an alumnus of the college has donated Rs. 1.08 Crores for air-conditioning of the Anderson Hall. MRF Ltd has donated Rs. 22 Lakhs to install a lift in the College Campus.

The Alumni have significantly contributed to endowment funds, scholarships and prizes for the students of our college. many of the alumni of our college are today in good positions in top organizations in the country and abroad.

Problems encountered and resources required: Since the Alumni are scattered all over the globe it is quite difficult to organise get- together more frequently and keep them engaged consistently in College development. In spite of this difficulty they do meet among their batches at least once a year and the MCC Alumni Association extensively uses social media to keep the far flung alumni community connected to their almatmater.

5.3.2 No. of registered Alumni: 4421

5.3.3 Alumni contribution during the year (in Rupees) : 3,745,784

5.3.4 Meetings/activities organized by Alumni Association:

MEETING:

- Executive committee Meeting
- Annual General Body Meeting

ACTIVITIES:

- Beginning from 1997, the MCC Alumni Association has been organizing the Annual Christmas Carol Concert in which a large number of leading choirs provide a musical treat for two consecutive days in December every year. Close to 1000 people attend this event.
- The association conducts the annual old boys cricket match in the second Saturday of February every year in the MCC Sports grounds.
- Illustrious alumni of the College are honoured from time to time by the Association in its Distinguished Alumni Series.
- The College also hosts felicitation functions for alumni who have reached great heights in their walks of life. Two Judges of the Madras High Court were felicitated recently.

All these programmes have been webcast for the benefit of those who could not come to attend these events.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institution practices decentralization and participative management in all its activities and initiatives by involving the Deans, Heads of Departments / Units, faculty members and even students at different levels of decision-making.

- College Union Society : The College Union Society comprises of the President (Principal), the Vice President (Faculty), the staff advisor (Faculty) and student representatives. This body is responsible for conducting various cultural and academic activities in the College. The annual cultural program, Deepwoods, is wholly conceptualised, organised and executed with a number of student representatives.
- Academic Council: Curriculum development, in line with advances in the industry is done every year. The Department conducts a Board of Studies which consists of the Department faculty, subject experts from other Colleges and student representatives. Once the new curriculum is framed, it is presented before the Academic Council for approval. These meetings are minuted and suggestions are made.

7.2 Best Practices

Describe at least two institutional best practices Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

Objective / Best Practice : Equip the College with State of the Art Teaching Learning Resources

The Context:

The College is located on a 320 acre campus with about 80% of it green cover. It has well-developed infrastructure for students to pursue their academics both in the classrooms as well as in the fields, giving a congenial atmosphere for teaching – learning process. Classrooms are clean and well ventilated with smart facility in most of them. The Library of the College - Miller Memorial Library has been completely revamped in terms of infrastructure, technology and accessibility to resources. The Physics and Chemistry laboratory is equipped with the latest technology and are top notch. Computer labs are well established and adequate. Sports fields allow students to regularly exercise and prepare for various events pertaining to State/ National/ International Competitions.

All Departments are technology enabled to use modern tools, equipment, computers, software in teaching learning process. Faculty and students are encouraged to use these teaching aids extensively. The Language Lab of Madras Christian College has 25 computers along with a Master console with LAN facility to train students in English language.

The Practice:

In keeping with the requirements of the tech savvy generation of students, the campus is Wi-Fi enabled. Wi-Fi spots are available in Departments, administrative offices and Halls of residence besides the Miller Memorial Library. Tense Buster a software used in English language Lab is user friendly and it contains five levels of learning English Language ranging from elementary to advanced levels. The lab aims at teaching all the four essential skills of language – listening, speaking, reading, writing through interesting exercises, videos, quizzes and games. The Library of the College has all the latest facilities like video projectors, TVS and anti-plagiarism software. The Centre for Media studies has a well equipped theatre, shooting floors and editing both encouraging creativity. Library Management Software (LMS) has also been introduced to enhance library services, along with RFID for efficient management of the Library.

Evidence of success:

The College has been ranked 10th the NIRF in the year 2018 among the Arts and Science Colleges in the country. The College has also been recognised as The College with Potential for Excellence by the UGC in 2016. In order to help the slow and smart learners, almost 140 modules of E content have been developed by the faculty of various Departments. For a start, analytical and tough subjects have been chosen. Each module consists of half an hour video along with a powerpoint presentation. All information relating to the subject content is provided to help students study and prepare at their convenience. The Miller Memorial Library has been completely revamped in terms of infrastructure and accessibility to resources. Various new sections have been introduced exclusively for reference, book banks, competitive exams, periodicals, maps, audio/video facility, Braille, etc. Access to many reputed online databases has been subscribed. URKUND, an anti plagiarism software has been installed in the library for the evaluation process of research work. Computer Labs have been setup for Statistics, BCA, BBA, Geography, Vis Com, MCA and Commerce Departments providing adequate computers and software to staff and students.

Problems encountered and resources required: Training of staff with fast developing and evolving technology.

7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust Provide the weblink of the institution in not more than 500 words

True to one of its defining principles viz., **Academic Excellence**, Madras Christian College has been making all efforts in fulfilling this objective since its inception in the 19th century. The ambience, floral and faunal density and diversity, infrastructure, residential facilities for students and many staff, a farm and other related amenities contribute to the sustenance of Excellence Status of the Institution in academics.

The College in recognition of its academic excellence received several recognitions viz., UGC - 'College with Potential for Excellence' (2016-2021), 10th Rank in the Country by Ministry of Human Resource Development – NIRF, and 'India Today' and 'The Week' ranking among the top ten Colleges in the recent past. Being one of the first few Colleges granted Autonomous status is 1978 by the University Grants Commission, the College continuously introduces new programmes and courses, innovative curricular changes in tune with changing times and examination reforms. Autonomy also enabled the College to introduce diploma and certificate courses through the School of Continuing Education. The College also introduced vocational degree programmes in the Departments of History, Zoology and Commerce in 1994. The Self-Financed Stream was started in 1999. Degree Programmes of contemporary relevance and employability are offered in the Self-Financed Stream. The College now has thirty two Departments under both the Aided and Self-Financed Streams offering Undergraduate, Postgraduate and Research programmes (M.Phil. and Ph.D.).

Among the awards won by the College in the last decade, it is pertinent to make reference to the 'Best College Award' (2010) by the State Government of Tamil Nadu, 'Environment Award' (2012) from the State Government of Tamil Nadu, and 'Best College in Arts & Science from the State of Tamil

Nadu' Award from the VIT University (2015). Several Staff of the College including the Principal, and students have been recognized and presented with many awards, recognitions and laurels in the field of academics.

Another area in which the academic standards are high at MCC is the field of research. Teachers and students present their research papers in Seminars and Conferences and publish papers in journals of high repute. Research has always been a parallel endeavour by the Teaching Community, through funded research projects granted by agencies within the Country and overseas. The Staff guide scores of research, doctoral and M.Phil. programmes.

National bodies such as Indian National Science Academy and Indian Science Academy have chosen Madras Christian College as a host institution besides several academic societies and Associations to conduct their conferences and seminars.

Considering the high standards of our Institution, Students from all over the Country and abroad come to study in varied programmes at Madras Christian College. International Collaborations with Universities and Colleges of high repute abroad foster faculty & student exchange and study abroad programmes besides joint research projects.

Academic Excellence in Madras Christian College has attracted the benevolence of funding agencies, philanthropists and alumni to donate to MCC for projects. The Solar Power Project funded by USAID ASHA, Rain Water Harvesting funded by Asian Paints Ltd., research projects funded by the UBCHEA, the modernization of Physics and Chemistry laboratories and Macnicol Lounge for Women by an alumna are standing testimonies of the kind gestures of the donors.

Varied academic Departments organize many endowment lectures inviting renowned scientists, academics, civil servants and administrators to enthuse the student community. Distinguished Alumni Series inviting accomplished alumni every year is an effort to motivate and encourage our student community towards excellence.

The Farm and a few academic Departments arrange special drives to bring in school students to expose and motivate them on many areas of academics including their novel and adventurous areas. Also the 500 kWp Solar Power Plant is a place for students to understand the importance of green energy Technology. The College has been a recipient of the prestigious DST-FIST programmes (3 times) and also the Department of Biotechnology - Bioinformatics for 15 years and Department of Biotechnology - Star College Programmes.

80% of the 320 acre campus is rich in scrub jungle serves as a laboratory for naturalists, students and scholars for their research programmes, leading to a better understanding of the academics indifferent fields.

Quarterly Review for the Young Faculty of our College in the area of academics and research has shown qualitative advancement in excellence, in teaching pedagogy, progression of research, presentation and publication of research articles and books, equipping teachers through attending orientation, refresher and faculty development programmes and emerging successfully through getting funded research projects.

Placement Cell under the Placement Officer with administrative staff and an exclusive office with relevant equipment is functional for the past many years. Top notch companies from both government and private sectors regularly come to our campus for campus recruitments. Exclusive workshops are conducted for the outgoing students to prepare themselves to appear in competitive exams and tests conducted by the recruiting companies and to prepare their curriculum vitae and also to equip them to appear for interview. As prospective employers are a part of the Board of Studies of the Department who contribute to the contemporary curriculum relevant for employment, our students are given adequate exposure for employment, thereby enabling them to be considered by many competitive sectors. Also scores of illustrious alumni of our College always ascribe their success to their learning in their alma mater. Teaching faculty, infrastructure, robust curriculum, congenial learning ambience, friendly atmosphere contribute immensely to the Academic Excellence.

The establishment of the 'Centre for Peace Studies' in 2012 in MCC has brought in opportunities to advocate Peace Education Curriculum through workshops, seminars in both MCC and other institutions, thereby creating a congenial ambience towards excellence in education.

With the creation of Language Lab, e-content, Digital Library, Smart Interactive Boards in many classrooms, Wi-Fi on campus and NPTEL, OPAC and RFID facility in Library, the College endeavors to make all attempts to constantly and consistently move up in the ladder of excellence in academics.
