WORLD TOURISM DAY CELEBRATIONS

WORLD TOURISM DAY is celebrated as an event of Innovation, year after year with the theme suggested by United Nations World Tourism Organisation. As this year theme highlights "Tourism for Inclusive Growth", we are planning to conduct interschool and intercollegiate competitions to highlight how tourism is interconnected with various services and provides profitable business across the world. Moreover, to highlight the need to ensure a healthy diet for all and to take action for those who suffer from hunger, We planned to combine WORLD FOOD DAY with the theme "Our Actions are our Future, Better Production, Better Nutrition, a Better Environment, and a Better Life" along with the Tourism Day Celebrations. It stresses the need to choose healthy food for our consumption to lead a healthy life amidst Pandemic.
